MMC rolls out digital drive to promote scrap recycling

MALKAJGIRI CIVIC BODY LAUNCHES DIGITAL DRIVE TO PROMOTE SCRAP RECYCLING

Gouda Swiyachandra
Hyderabad

THE Malkajgiri Municipal Corporation (MMC) has launched an awareness initiative encouraging residents to hand over recyclable scrap to authorised scrap shops instead of dumping it on roadsides or disposing of it along with regular waste. As part of the initiative, the civic body has appealed to citizens to segregate recyclable materials at home and make use of nearby authorised scrap dealers. A QR code has been provided to help residents locate authorised scrap shops in their vicinity.

The campaign covers several categories of recyclable material, including paper, cardboard, glass, plastic and metal. Newspapers, books, office paper and magazines can be handed over as paper scrap, while cartons, boxes and packaging material come under cardboard. Glass bottles, jars and containers, along with plastic bottles, shampoo bottles, drums and household plastic items, can also be recycled. Iron, aluminium, steel utensils and other metal scrap are included in the initiative.

According to the campaign material, residents are advised to keep recyclable scrap clean and dry and avoid handing over wet, foul-smelling or contaminated material. Wet waste should not be mixed with recyclable scrap. The process has been designed around a digital system. Residents are asked to keep recyclables separately at home, scan the QR code and identify the nearest authorised scrap shop. The material will then be weighed and the quantity recorded digitally before it is handed over. The campaign states that residents will receive payment instantly for the scrap, while the collected material will subsequently be sent for recycling and given a new use.

MMC has also urged residents to cooperate with scrap shop staff during digital weighing and payment. The civic body said an MMC certificate may also be provided, wherever applicable, for participation or recognition under the initiative.The campaign is aimed at reducing the amount of recyclable waste reaching landfills while promoting responsible waste management among citizens. The municipal corporation has called upon residents to participate in the programme and contribute to cleaner streets, reduced waste generation and a greener Malkajgiri.

"Your scrap has value" is the key message of the campaign, with the civic body stressing that responsible disposal can turn household waste into a resource.

EAGLE sets its sight on toddy shops; unearths stuff laced with Alprazolam

ENFORCEMENT CRACKDOWN YIELDS KEY ARRESTS, PROPERTY FORFEITURES, AND TRACES RS 3 CRORE ILLEGAL DRUG TRANSACTIONS

ELITE Action Group for Drugs Law Enforcement officials cracked down on toddy compounds selling drink adulterated with Alprazolam, registering cases under the NDPS Act against owners and staff. During raids, EAGLE uncovered an interstate network spanning Telangana, Rajasthan, and Maharashtra. Operations yielded substantial Alprazolam seizures, arrests, financial investigations, and property forfeitures linked to drug proceeds, revealing Rs 3 crore in transactions for transporting drugs to toddy shops.

Nizamabad Rural Police arrested Gandham Srinivas Goud, Botlakunta Katamaiah Goud, and Male Anil Goud, seizing 1.087 kilograms of Alprazolam and registering an NDPS case. Investigations revealed that the accused and associates acquired movable and immovable assets through illicit trafficking.

Official statements detailed Srinivas Goud long-standing involvement in procuring and supplying adulterated raw materials to Jagtial, Mahabubnagar, and Nizamabad districts. He allegedly procured Alprazolam from Rajasthan and Chloral Hydrate from Solapur, Maharashtra, storing chemical substances in residential premises and godowns before distribution.

The enforcement action underscores growing state vigilance against toxic adulteration practices threatening public health across rural pockets. Law enforcement agencies confirmed that comprehensive financial tracking and asset mapping will continue to dismantle the financial infrastructure of illicit chemical suppliers. By seizing drug proceeds and tracing interstate supply routes, authorities aim to sever the supply chain of contraband chemicals entering local beverage markets. Further inspections and legal actions remain underway to ensure complete compliance with drug enforcement regulations and safeguard consumers across all districts.

Srinivas Goud's repeated drug offence record

Armoor Excise Police arrested Gandham Srinivas Goud on April 7, 2016, seizing two kilograms of Alprazolam and 30 kilograms of Chloral Hydrate, while Nizamabad Excise Police seized eight kilograms of Alprazolam. Nizamabad Excise Police booked Srinivas Goud again on June 2, 2016. Nirmal and Morthad Excise Police arrested him on May 4, 2017. Armoor Excise Police apprehended him on February 5, 2018, seizing 180 kilograms of Chloral Hydrate. Finally, Nirmal Excise Police arrested Srinivas Goud on October 12, 2022, seizing 125 kilograms of Chloral Hydrate.
