A delegation of the Andhra Pradesh BJP unit led by its president Somu Veerajulu and comprising former Union minister D Purandesawari, former MLA P Vishukumar Raju and MLC P V N Madhav met Union minister for steel, Dharmendra Pradhan here on Monday and urged him to revisit the decision to privatise the RINL (Visakhapatnam steel plant). They said a SWOT (Strengths, Weaknesses, Opportunities and Threats) analysis of the plant would reveal that it would be an excellent profit-making unit which had also an emotional connect with the Telugus.

AP BJP president Somu Veerajulu, BJP AP co-in-charge Sunil Deodhar and party leaders meet Union Steel Minister Dharmendra Pradhan at Udyog Bhavan in New Delhi on Monday

Meanwhile, in his three-page letter to Dharmendra Pradhan, Veerajulu said the government should instead work out an agreement between NMDC (National Mineral Development Corporation) and Vizag Steel for supply of iron ore from NMDC at cost-to-cost basis or cost-plus marginal profit basis for next five years. Capital should be infused through IPO (public issue) which would give real valuation of RINL and the Union government should provide sovereign guarantees to raise unsecured loans, he urged.

All options to pursue the revival of RINL should be undertaken instead of condemning the plant to privatisation on the basis of its losses now, he added.

Recalling the long fight Visakha Utku-Andhrula Hakku in the past

and the sacrifices made by the people of Andhra, the state BJP president said the plant was the biggest public sector unit in entire south India. It had brought a metamorphic development in the entire three backward districts of north Andhra Pradesh.

The plant had witnessed an investment of Rs 4,950 crore in three decades but the Centre had secured Rs 43,0990 crore in return and the AP state government got Rs 8,565 crore till 2020 in the form of various taxes and duties. That apart, the Vizag Steel had immensely helped in uplifting the living conditions and dignity of thousands of families from socially deprived communities. The overall development of the backward districts became possible in Andhra Pradesh abutting Odisha borders.

He said Visakhapatnam Steel Plant was initially envisaged with an installed capacity of 3 MTPA (million tonnes per annum) in 1992 and subsequently expanded to 7.3 MTPA without any budgetary support from the Centre. All this was despite the fact that the RINL was disadvantageously positioned compared to its rivals vis a vis access to captive iron ore mines thus incurring an additional expenditure of Rs 5,000 per tonne production.

The plant had a land bank of 20,000 acre and losing such a treasure was ill-advised, he argued. More than 60 villages had to be evacuated to acquire land in the past, he said to buttress his point.

Other office bearers of the AP Unit of the party too are signatories to the letter.

HC suspends SEC order on delivery vehicles

- Says the State Election Commission can't stop vehicles supplying food to the people
- The SEC earlier suspended ration door delivery vehicles for 4 weeks in rural areas in view of Model Code

AMARAVATI

IN a major relief to the state government, the Andhra Pradesh High Court on Monday suspended the State Election Commissioner (SEC) Nimmagadda Ramesh Kumar's orders restricting rice door delivery service during the ongoing elections.

The court said the State Election Commission (SEC) cannot stop the government from using mobile delivery vehicles to supply food to the people.

Earlier, the SEC ordered that the government cannot use these mobile vehicles for a period of four weeks, in view of the ongoing rural local bodies' elections.

The SEC personally examined a delivery vehicle to see if these vehicles will allegedly exert any influence on the polls as they would fan out across the nooks and corners of the villages, carrying ration rice for beneficiaries.

Many decisions of Ramesh Kumar are being challenged in the court by the state government and there seems to be no end to the bickering between the state and the SEC.

Earlier, he issued a gag and home confinement order on panchayat raj minister Peddireddi Ramachandra Reddy which was also suspended by the court but

TDP TO STAGE STATE-WIDE STIR FOR VSP ON FEB 18

HANS NEWS SERVICE
MANGALAGIRI

TDP national president N Chandrababu Naidu on Monday called upon his party leaders and cadres to take part in massive protests all over the state on February 18 to denounce the privatisation of the Visakha Steel Plant (VSP).

Naidu stressed the need for waging a relentless agitation against the ruling YSRCP secret plans in the deal with the South Korean company, POSCO. It was only to save himself from his illegal investments cases that Chief Minister Y S Jagannathan Reddy was bent on handing over the steel plant to private hands, he alleged.

In a statement here, the former

- Alleges that the CM has set his sights on steel plant surplus lands

chief minister asserted that their party would do everything possible to prevent the state government from carrying out its nefarious designs any further. Protest rallies would be organised from village to state level.

He alleged that the Chief Minister had apparently struck a secret deal with POSCO only to grab the surplus lands of the VSP which have got a

very high value in the market. "Out of his unquenchable thirst for personal gains only, the Chief Minister was prostrating before the Centre with respect to the steel plant issue," he said.

Naidu deplored that in the name of privatisation, the steel plant has been weakened without trying for mines exclusively meant for it.

The people of the state achieved the industry after fighting a prolonged struggle in the past. Once again, it was for the whole people of AP to agitate and save the steel plant from all future threats. It was high time to teach a strong lesson to the ruling YSRCP, he said. Naidu said that the VSP was protecting the livelihoods of over 40,000 people directly and another 50,000 workers indirectly.
