Impose tariffs on countries buying Russian oil: US to G7

WASHINGTON: The United States has asked G7 countries to impose tariffs on countries purchasing oil from Russia, asserting that only "unified efforts" that cut off funding to Moscow's war machine at source can apply sufficient pressure to end "the senseless killing." US Treasury Secretary Scott Bessent and the United States Trade Representative Ambassador Jamieson Greer were on a call with G7 Finance Ministers on Friday when they reiterated President Donald Trump's call to the bloc's partners about imposing tariffs on countries purchasing oil from Russia. François-Philippe Champagne, Canada's Minister of Finance and National Revenue, chaired a meeting of G7 Finance Ministers to discuss further measures to increase pressure on Russia to end its war against Ukraine.

FIR over AI video by Congress on Modi, his mother

NEW DELHI: The Delhi Police on Saturday registered an FIR on a BJP worker's complaint over an AI-generated "deepfake" video posted by the Bihar Congress unit on its X handle that allegedly tarnished the image of Prime Minister Narendra Modi and his late mother, an official said. The complaint was filed on Friday by Sanket Gupta, convenor of the BJP Delhi Election Cell, at the North Avenue Police Station, who alleged the video "maligned the Prime Minister's image, grossly violating law, morality and women's dignity". The clip was posted on the official X handle of the Indian National Congress, Bihar unit, on September 10, the complaint said.

3-hour pit stop is not compassion: Cong targets Modi's Manipur visit

NEW DELHI: Terming Prime Minister Narendra Modi's visit to Manipur a "pit stop", the Congress on Saturday alleged that the trip is "tokenism" and a "grave insult" to the people of the state.

Congress president Mallikarjun Kharge accused Modi of organising a grand

welcome ceremony for himself and claimed that it "is a cruel prick" to the wounds of those still suffering. "In the words of your own... Where is your Rajdharma?" Kharge asked on X just before Modi's Manipur visit. "Narendra Modi ji, your 3-hour pit stop in Manipur is not compassion

-- it's farce, tokenism, and a grave insult to wounded people. Your so-called roadshow in Imphal and Churachandpur today, is nothing but a cowardly escape from hearing the cries of people in relief camps!" the Congress chief said in his post on X.

Want to make Manipur symbol of peace & prosperity, says Modi

People have chosen the path of peace and given priority to development: PM

CHURACHANDPUR:

Urging various outfits to shun violence, Prime Minister Narendra Modi on Saturday asserted that his government stood firmly with the people of Manipur and was working towards the goal of making the strife-torn state a symbol of peace and prosperity. Addressing a public meeting in Kuki-dominat-

ed Churachandpur district during his first visit to the state after ethnic violence broke out in May 2023, Modi hailed Manipur as the land of hope and aspiration, and said that "unfortunately, violence had cast its shadow on this beautiful region". "A short while ago, I met the affected people at a relief camp.

listened to the concerns of the families of internally displaced persons (IDPs) at the historic Kangla Fort complex in Imphal and Peace Ground in Churachandpur, and assured them of the Centre's commitment to restore peace and normalcy in the state, they said.

Over 6-cr Income Tax returns filed so far

NEW DELHI

MORE than six crore income tax returns for Assessment Year 2025-26 have been filed so far, the Income Tax department said on Saturday. The last date to file ITRs without penalty is September 15.

"Thank you taxpayers & tax professionals for helping us reach the milestone of 6 crore Income Tax Returns (ITRs) as of now and still counting," the I-T department said in a post on X. To assist taxpayers for ITR filing, tax payment and other related services, our helpdesk is functioning on a 24x7 basis, and the department is providing support through calls, live chats, WebEx sessions & Twitter/X, it added.

It also asked taxpayers who haven't filed ITR for AY 2025-26 to file at the earliest to avoid a last-minute rush. The Income Tax department in May announced an extension of the due date for filing ITRs for Assessment Year (AY) 2025-26 (for income earned in financial year 2024-25) by individuals, HUFs and entities who do not have to get their accounts audited from July 31 to September 15.

The Income Tax dept asked taxpayers who haven't filed ITR for AY 2025-26 to file at the earliest to avoid a last-minute rush

The extension was on account of "structural and content revisions" in the income tax return (ITR) forms, which was notified in late April and early May. The changes made in the ITR form for AY 2025-26 also need modifications to be made in ITR filing utilities and the back-end system. ITR filings have shown consistent growth over the years, reflecting rising compliance and the widening of the tax base. For AY 2024-25, a record 7.28 crore ITRs were filed up to July 31, 2024, compared to 6.77 crore in AY 2023-24, registering a 7.5 per cent year-on-year growth.

Low-pressure area to trigger rains in AP

HANS NEWS SERVICE VIJAYAWADA

A low-pressure area over the west-central Bay of Bengal and adjoining north-west Bay of Bengal, along the North Andhra-South Odisha coasts, is expected to persist, says Prakhar Jain, Managing Director of the State Disaster Management Authority. According to him, this system is likely to

move west-northwestwards over South Odisha, North Andhra, and South Chhattisgarh in the next 48 hours. A trough is also extending from this system through Chhattisgarh and Vidarbha to South Maharashtra.

Under the influence of these weather systems, light to moderate rains accompanied by thunderstorms and lightning are expected in some parts of the state

on Sunday. Winds with speeds of 30-40 km/hr are also likely along the coast. So, Jain has advised people in low-lying areas to be

vigilant and warned against standing under trees.

On Sunday, Srikakulam, Konaseema, East Godavari, West Godavari, Eluru, Krishna, Guntur, Bapatla, Kurnool, and Nandyal districts are likely to experience light to moderate rain with thunderstorms and lightning. The remaining districts may receive light rainfall in a few places.

DRUG CASE AT MAHINDRA UNIVERSITY

'STUDENTS USED THEIR POCKET MONEY FOR DRUGS'

HARISH ANGADI HYDERABAD

AS Mahindra University authorities continue to reel from the shock of a recent drug bust involving some of its students, fresh revelations from the Telangana Anti-Narcotics Bureau (TANB) point to a larger, more complex network operating across several premier institutions in the city. Senior officials involved in the probe told "The Hans India" that the case had "only scratched the surface of a city-wide racket".

It may be recalled that on August 27, four persons, including two students, were arrested for operating a drug racket inside the Mahindra University here. During a prior raid at Shivalayam Colony in Suraram, police officials seized 1.15 kg of ganja, 47 grams of high-grade OG weed, packaging material, a digital weighing machine and multiple mobile phones used for trafficking.

Officials probing the ramifications of the case said the racket had established a supply chain reaching

from inter-state suppliers to student peddlers on campus, with nearly 50 students now under investigation for consumption.

The officials revealed that the key accused, identified as a Nigerian national known as "Nick," is still absconding. "If we can get him, there

are many other major drug racket links we can uncover," said one senior officer, pointing to an international chain of operations. According to the TANB, several individuals from Nigeria, Somalia, and Sudan enter India on tourist or education visas but never return, slipping into illegal activities for survival. Only 10 out of 100 go back, he added.

The investigators highlighted the vulnerability of courier and parcel services, calling them the "most exploited platform", for narcotics trafficking. Unlike passenger screenings at airports, courier consignments often bypass verification processes. "There are no OTP authentications, proper address details, or digital verification. We spend days tracking

irregularly packed parcels that are divided into multiple compartments. "We have missed the right packages while scanning," the official admitted.

The TANB confirmed that drug use is not restricted to the Mahindra University campus. "We have identified cases in several premier private institutions, including Symbiosis and CBIT, he said. Students tend to misuse their pocket money for drugs, leading to dependency and reckless behavior."
