## YSRCP vows to resist privatisation of govt medical colleges

- Blames Minister Savitha for mocking the project during her recent visit

- Criticises CM Naidu for privatising medical colleges constructed during Jagan's tenure

Former Minister, Sri Sathya Sai district YSRCP president and Penukonda Assembly candidate Usha Sri Charan inspected the under-construction government medical college in Penukonda on Sunday, following the direction of former CM YS Jagan Mohan Reddy.

She stated that three floors of the college were completed during Jagan's tenure, but the remaining construction

was stalled and efforts are now being made to hand over the project to private parties.

She accused Chief Minister N Chandrababu Naidu for covering up administrative failures through Public-Private Partnership (PPP). She questioned Naidu is it correct to hand them over to private individuals?

She also criticised Minister Savitha for mocking the project during her recent visit. She alleged that Chandrababu Naidu and Pawan Kalyan were deceiving the people for political gain.

"Chandrababu, despite calling himself a visionary, never built even one medical college. It was Jagan, who initiated 17 medical colleges for the welfare of the people. The current government is now conspiring to hand them over to their own cronies," she added.

HANS NEWS SERVICE  
PATTIKONDA

IN a major relief to distressed tomato farmers, the State government has announced procurement of tomatoes at a fixed price of Rs 8 per kg through Agricultural Market Yard. This decision comes in the wake of a sharp decline in tomato prices in the region, which left farmers struggling to recover their investment.

Pattikonda Agriculture Market Yard chairman A Nabi Saheb speaking to the media on Sunday

Speaking to the media on Sunday, Pattikonda Market Yard Chairman Alankonda Nabi Saheb said that the tomato growers in Pattikonda and surrounding areas have been facing severe hardship due to the drastic fall in prices. Many farmers were unable to even cover their basic cultivation costs.

Responding to the crisis, the local MLA informed the matter to Chief Minister N Chandrababu Naidu,

who directed the officials to implement the procurement scheme immediately. Farmers were told to bring well-graded and quality tomatoes to market yard, where the government will directly purchase them at Rs 8 per kg.

The Chairman appealed to farmers to cooperate with officials by following grading procedures and bringing only sorted, good-quality produce.
