Naveen Chandra praises ‘Honey’ at trailer launch

‘Honey’ is a psychological horror film written and directed by Karuna Kumar, starring Naveen Chandra and Divya Pillai in the lead roles. Produced by Ravi Peetla and Praveen Kumar Reddy under the banner of OVA Entertainments and presented by Shekhar Studios, the film blends psychological depth, social relevance, and horror elements. ‘Honey’ is set to release in theatres on February 6. The promotional content released so far has received a wonderful response, and the makers recently launched the trailer.

Speaking at the trailer launch event, hero Naveen Chandra said, “Hello everyone. I am very happy with the wonderful response to the trailer. I thoroughly enjoyed the filmmaking

process. This is a film that will grow through word of mouth. We have tried to make it within our budget while still delivering a different and unique experience to the audience in theatres.”

Director Karuna Kumar said, “This time too, I have made a new attempt. I originally wrote this story, titled ‘Darkness’, for literature. Our producers later decided to adapt it into a film. We see such incidents happening in places like Madanapalle and Old Basti, often within the same house. In ‘Honey’, we explore the life of a person searching for and achieving something called ‘Pilli Maya’. It is a story that unfolds within the mind, even when everything seems dark. The film was inspired by a real-life incident.”

Actor Raja Ravindra

shared, “Hello everyone. When the director narrated the story, I liked it but wondered how it would be executed. The film has been shot even more wonderfully than I expected. He also gave me an extraordinary and memorable character. Technically, the film is outstanding.”

Heroine Divi said, “Hello everyone. I always wanted to work with Karuna Kumar. I met him during the film ‘Palasa’, but it didn’t work out then. I immediately agreed when he called me for this project.”

Heroine Divya Pillai added, “Hello everyone. I was scared when the director narrated the story to me. It is very new and unique. I thank Karuna Kumar and Ravi for giving me this opportunity. I am very happy to work with Naveen again.”

‘One by Four’ emerges box-office winner

Tejas Gunjal Films and Rohit Gunjal Films have jointly produced the action crime drama ‘One by Four (One/4)’, starring Venkatesh Peddapalem, Aparna Mallick, and Heena Soni in the lead roles. The film is directed by Bahubali Palani K, who previously worked as an associate director on the blockbuster ‘Baahubali’. It is jointly produced by Ranjana Rajesh Gunjal and Rohit Ramdas Gunjal.

Recently released, ‘One by Four (One/4)’ has emerged as a successful film, receiving appreciation from audiences across all sections and performing well in theatres. To celebrate the success, the team held a success meet at the Hyderabad Film Chamber, where they shared their experiences and gratitude.

Director Bahubali Palani K said, “Audiences have made ‘One by Four (One/4)’ a blockbuster. Collections are strong in every theatre. Once again, viewers have proved that if the content is good, even a small film can achieve big success. Hero Venkatesh impressed everyone with his action sequences and performance. He has already done action films in Kannada, and I believe he

has a bright future in Telugu cinema as well. Our producers Ranjana and Rohit came from Mumbai with great passion for cinema and entered Tollywood with dedication. I hope they produce many more films. However, it is unfortunate that some actors who initially seek opportunities do not show up during promotions. They should at least support the film out of gratitude.”

Producer Ranjana Rajesh Gunjal said, “Our film ‘One by Four (One/4)’, which blends a strong message with entertainment, is being well received by audiences. The success is purely due to its solid content. The character ‘Pavitra’ is receiving special appreciation, and hero Venkatesh’s performance is widely praised. The film highlights the struggles a woman faces due to blackmail, making it a thought-provoking experience. We are deeply hurt that we did not receive promotional support from the heroines. Despite providing all facilities, they did not participate in promotions. Their absence caused losses to the film. We feel it is better to encourage and cast Telugu girls rather than depend on outsiders.”
