

“Giving Sachin Tendulkar out leg before wicket, and it’s a matter of knowing that it was a mistake, but until this day, every day, people talk about it. “Why did I give him out? Was he out and so on? But then in life, mistakes happen. I have accepted that it was a mistake, and life goes on,”

-Steve Bucknor, legendary umpire

Bucknor regrets wrong LBW call against Tendulkar after 22 years

NEW DELHI

MORE than two decades after making what was then widely seen as a “dreadful” decision against Indian cricket icon Sachin Tendulkar, legendary umpire Steve Bucknor has finally expressed regrets and accepted that “it was a mistake.”

2009, was one of the most respected umpires in world cricket for over two decades. However, he did a make a few contentious calls involving Tendulkar, the most shocking being an LBW dismissal during an India-Australia Test match at Brisbane’s Gabba 22 years ago.

In an interview with the West Indies Cricket Umpires’

Association, when Bucknor was asked about one of the

most difficult decisions he had to live with as an umpire, he said, “Giving Sachin Tendulkar out leg before wicket, and it’s a matter of knowing that it was a mistake, but until this day, every day, people talk about it. “Why did I give him out? Was he out and so on? But then in life, mistakes happen. I have accepted that it was a mistake, and life goes

on.” In that match at Gabba in the 2003-04 series, Tendulkar was given out LBW by Bucknor following a loud appeal from Australian fast bowler Jason Gillespie and his teammates. Batting on 3, Tendulkar had attempted to leave the ball, which struck him high on the pads, but Bucknor was convinced by the Australian appeal. Television replays

later confirmed the ball was clearly going over the stumps. In the commentary box, the late Tony Greig had referred to it as “a dreadful” decision and he was not the only one who thought that way at the time. The match, the first of a four-match series and in which India skipper Sourav Ganguly struck a fluent 144, ended in a draw. That was

not the only instance when Bucknor gave Tendulkar out wrongly. In a match against Pakistan at Eden Gardens in 2005, the Jamaican adjudged Tendulkar caught behind off Abdul Razzaq despite a half-hearted appeal. Replays, however, showed a wide gap between the bat and the ball.

During an interactive session with fans in 2024, Ten-

dulkar was asked about his relationship with Bucknor, and in lighter vein, he had said, “When I am batting, give him boxing gloves to wear (so he can’t raise his finger).” Bucknor, 79, officiated in 128 Test matches between 1989 and 2009 and also holds the record for standing in five consecutive World Cup finals from 1992 to 2007.

T20 WC Super 8s India pushed to brink after WI’s win rock Group 1

NEW DELHI: India’s Super 8 campaign at the T20 World Cup 2026 has hit turbulence early, leaving them with no room for missteps in the matches to come. A crushing 76-run loss to South Africa in Ahmedabad on Sunday has pushed them onto the back foot in Group 1, where they are competing alongside South Africa, the West Indies and Zimbabwe.

wald Brevis. Jasprit Bumrah delivered a standout spell of 3/15, but the remainder of the attack struggled to apply consistent brakes.

The chase never gathered traction. Wickets fell at regular intervals, partnerships failed to materialise, and scoreboard pressure mounted quickly. Marco Jansen’s four-wicket burst dismantled the middle order, sealing India’s collapse for 111.

Beyond the loss of two points, the damage to their Net Run Rate, now a troubling -3.800, could prove decisive.

With two fixtures left in the Super 8 stage, India’s equation is starkly simple: they must win both to stay alive.

Two wins: Victories over the West Indies and Zimbabwe would take India to four points. If South Af-

rica also win their remaining games, both sides would progress. However, if South Africa drop one match, three teams could be locked on four points, pushing qualification down to Net Run Rate.

Should South Africa lose both, India and the West Indies would advance.

One win or fewer: Anything short of back-to-back wins will end India’s campaign, regardless of other outcomes in the group. The margin for error has vanished. India’s semi-final hopes now hinge not only on results but also on improving a Net Run Rate that has already taken a substantial hit.

Lanka eye turnaround in must-win clash vs NZ

COLOMBO: Sri Lanka will need to improve their batting against slower bowlers when they take on New Zealand in a must-win Super Eight game of the T20 World Cup here on Wednesday.

The home team batters failed to chase a below par 147 against England on a slow turner in Pallekele. The pitches in Sri Lanka have been tougher for batting compared to co-hosts India and the trend is likely to continue at the Premadasa where bigger boundaries make six-hitting difficult.

Some of the shot selection was questioned following the heavy loss in the Super Eight opener and Sri Lanka will need to learn from their mistakes.

“It’s a T20 game, so obviously you come into a game, so you are looking to score as many runs as you can. So when the ball is not coming on to the bat, it’s easier said than done,” Sri Lanka’s Indian batting coach Vikram Rathour reflected on the side’s poor poor performance.

“Are there better options? Yes, definitely could have been taken. I thought on a wicket where the ball is stopping, so pushing is not a great idea. A couple of our wickets lost out on guys pushing for a single. I don’t think that was a great option in these conditions,” he added.

While batting has been led by Pathum Nissanka, left-arm spinner Dunith Wellalage has been impressive with the ball. To be fair, even the pacers have delivered thus far in the competition. New Zealand, who had to share a point with Pakistan following the wash-out at Premadasa, too have good spinners in their ranks including captain Mitchell Santner. With rain unlikely, both teams would be pushing for their first win of the Super Eight stage. New Zealand’s opening duo of Finn Allen and Tim Seifert showed ominous form during the league stage and would be looking to extend that run. More runs are expected from the bat of Rachin Ravindra who got a much-needed fifty in his previous innings against Canada.

Semis, final tickets to go live amid venue uncertainty

NEW DELHI: The tickets for the semi-finals and final of the T20 World Cup 2026 will go live at 7 pm IST on Tuesday, as announced by the International Cricket Council (ICC) in a release.

Cricket fans can book seats for the first semi-final on March 4, the second semi-final on March 5 and the highly anticipated final on March 8 through the official booking sites.

However, the venue for Semi-final 1 remains subject to a floating arrangement. The match will be held either at the R Premadasa Stadium in Colombo or at the Eden Gardens in Kolkata. While Semi-final 2 is confirmed to take place at the Wankhede Stadium in Mumbai.

As per tournament guidelines, if the Pakistan cricket team qualify for the semi-finals, they will play semi-final 1 in Colombo on March 4. If Pakistan fail to qualify but the Sri Lanka team reach the super 4 and are not drawn against India, then the match will be played in Colombo.

Australia outplay India in opening Women’s ODI

BRISBANE: Australia produced a clinical all-round performance to defeat India by six wickets in the opening ODI at Allan Border Field on Tuesday, chasing down a modest target of 215 with authority to take a 1-0 lead in the three-game ODI series and also level the overall multiformat series’ tally to 4-4.

After bowling India out for 214, the hosts made light work of the chase, riding on half-centuries from captain Alyssa Healy and the ever-reliable Beth Mooney. India had promised more at different stages, but ultimately fell short on a surface that offered seam movement early and grip for the spinners as the innings progressed.

TG PECET-2026 notification to be released today

HYDERABAD: The Telangana Physical Education Common Entrance Test-2026 (TG PECET-2026) notification for admissions into Bachelor of Physical Education (B.PEd) and Diploma in Physical Education (D.PEd) courses will be released on February 25, 2026. The entrance test is being conducted by Satavahana University under the aegis of the Telangana Council of Higher Education for the academic year 2026-27.

TG PECET-2026 is meant for admission into B.PEd and D.PEd courses offered by State Universities in Telangana and their affiliated colleges. Eligible candidates can apply online through the official website <https://pecet.tgche.ac.in>

According to the schedule, online registration and submission of application forms will commence from March 2, 2026. The last date to submit applications without a late fee is May 5, 2026. The Physical Efficiency and Skill Tests, which form part of the entrance examination, will be conducted at Satavahana University, Karimnagar, from May 31 to June 3, 2026.

Candidates aspiring to pursue professional courses in physical education are advised to go through the detailed notification carefully and adhere to the timelines. Authorities have appealed to the media to give wide publicity to the TG PECET-2026 schedule to ensure maximum reach among eligible students across Telangana.

Kanpur, Prayagraj at risk of severe damage if quake strikes: IIT study

Buildings can tilt or sink, roads and railway tracks may crack, and underground utilities can rupture. Riverbank and low-lying areas are particularly vulnerable: Dr Nihar Ranjan Patra

KANPUR

A 17-year study by the Indian Institute of Technology-Kanpur (IIT-K) has warned that parts of Kanpur and Prayagraj could face severe damage if an earthquake of magnitude 6.5 or higher strikes the region. The research led by Dr Nihar Ranjan Patra, a

professor at IIT-K’s civil engineering department, highlights the high liquefaction potential of the alluvial soil along the Ganga river belt -- a factor that can sharply amplify ground shaking and destabilise buildings.

The IIT-K research team analysed soil samples collected over nearly two decades

from Gujarat, Haryana, Uttar Pradesh and Bihar. Samples were taken from 43 locations, with boreholes drilled up to 30 to 40 metres and 80 metres deep at two locations in Kanpur and Prayagraj in select areas - far deeper than the usual 10-30 metres used elsewhere. In several parts of Kanpur and Prayagraj,

the top 8-10 metres of soil is loose, sandy and water-saturated - conditions highly prone to liquefaction during strong tremors.

The findings are concerning as in some pockets, the effect could extend as deep as 30-40 metres. Liquefaction occurs when intense shaking causes waterlogged soil

to temporarily lose strength and behave like a liquid, Patra told PTL. Buildings can tilt or sink, roads and railway tracks may crack, and underground utilities can rupture. Riverbank and low-lying areas are particularly vulnerable, he added.

Localities identified for detailed soil analysis include

Bithoor, Mandhana, Panki, Barra, Chakeri, Ratanlal Nagar, Naramao and areas around IIT-K, among others. Parts of Varanasi were also found to have similar soil behaviour. According to India’s seismic zoning map, sections of Kanpur and Prayagraj fall under Zones III and IV - denoting moderate to high risk.

Copter carrying 7 crashes into sea, all rescued

SRI VIJAYA PURAM

A Pawan Hans helicopter carrying seven people, including two crew members, crashed into the sea just 300 metres away from its scheduled landing at Mayabunder helipad in the Andaman and Nicobar Islands on Tuesday, and all of them were rescued, officials said. The crash occurred around 9.30 am, after the chopper took off from Rangat in the North and Middle Andaman district, they said.

All five passengers and the two crew members, rescued from mid-sea, have been admitted to a hospital, one of the officials said.

“The helicopter crashed into the sea around 9.30 am. A preliminary inquiry revealed that there was some technical snag, and the pilot made a crash-landing on the sea,” a senior Civil Aviation official said. An inquiry has been initiated, he said. “On February 24, 2026, PHL Dauphin N3 helicopter (VT PHY) took off from Sri Vijaya Puram (Port Blair) at around 8.30 am for a passenger flight from Sri Vijaya Puram (Port Blair) to Rangat and fur-

Did plane carrying 7 pax crash due to bad weather?

RANCHI: Authorities are looking into the main factors, including weather conditions, that could have led to the fatal crash of an air ambulance that killed seven people in Jharkhand on Monday evening, according to officials. Redbird Airways Pvt Ltd’s Beechcraft C90 aircraft VT-AJV enroute from Ranchi to Delhi crashed soon after takeoff. There were five people and two crew members onboard. One of the officials said a conclusion on what could have led to the crash is yet to be reached and from initial inputs, and the weather conditions at the time of the crash would also be looked into.

ther to Mayabunder.

“The helicopter landed at Rangat helipad around 9.05 am. It further took off from Rangat to Mayabunder at around 9.10 am. The helicopter ditched about 300 metres short of

Mayabunder helipad in the sea (shallow water) at around 9.30 am,” Pawan Hans Ltd, a central public sector undertaking based in Noida, said on X. Five passengers and two crew members were on board, it said.

Meat shops near schools promote violence: Bihar Dy CM

PATNA: Bihar Deputy Chief Minister Vijay Kumar Sinha has vowed

to clamp down on shops selling meat, fish and poultry in the vicinity of religious and educational institutions, claiming that these offended “purity of sentiments” and promoted “violent tendencies” among children. The senior BJP leader, who holds the urban development portfolio in the Nitish Kumar government, made a statement to this effect a couple of days ago when his views were sought on a recent circular issued by the department. “We are making a new Bihar and this is being reflected in all the steps we take. I issued directions to strictly implement the rules in a recent departmental meeting, which have been framed to ensure proper hygiene and social harmony,” he said. “We are not against people’s right to have food of their choice. But, selling such items in the open, especially in the vicinity of religious institutions, adversely affects the purity of our sentiments. Similarly, these need to be kept away from educational institutions to prevent violent tendencies among children,” Sinha said.

U’KHAND EDN DIRECTOR ASSAULTED EMPLOYEES DEMAND BJP MLA’S ARREST

‘Employees closed education department offices across the state, except for the Uttarakhand Board of School Education in Ramnagar’

DEHRADUN

EMPLOYEE organisations, insisting on the arrest of BJP MLA Umesh Sharma Kau in connection with the assault on Uttarakhand Director of Elementary Education Ajay Naudiyal, have issued an ultimatum to close all state offices from Wednesday if their demands are not met.

On Monday, Chief Minister Pushkar Singh Dhami directed the chief secretary to develop a Standard Operating Procedure (SOP) for the safety of employees. Meanwhile, police arrested four accused, including a

history-sheeter, involved in the vandalism and assault incident at the Directorate of Elementary Education on Saturday.

Members of a joint front formed to protest the assault on Naudiyal met CM Dhami on Monday and demanded that SOPs be established for their safety and police deployment in the offices. Following this, Dhami directed Chief Secretary Anand Bardhan to prepare the SOP and DGP Deepam Seth to ensure adequate security arrangements in government offices.

Meanwhile, as per the Morcha’s previously an-

nounced programme, employees closed education department offices across the state, except for the Uttarakhand Board of School Education in Ramnagar. “Like today, education department officials and employees will continue their work boycott on Tuesday, and if no solution is found to our demand by Tuesday, all offices across the state will be closed from Wednesday,” said Sanjay Bhaskar, front’s media in-charge. Bhaskar alleged that the MLA had brought a history-sheeter with him to the director’s office.

Seer moves AIld HC seeking anticipatory bail in POCSO case

PRAYAGRAJ: Swami Avimukteshwaranand Saraswati on Tuesday moved the Allahabad

High Court seeking anticipatory bail after being booked for alleged sexual harassment of minor children and other offences. A notice has been sent to the office of the government advocate in this regard, before filing the application in court, sources said. The FIR was lodged at the Jhansi police station in Prayagraj against Saraswati and his disciple Mukundanand Brahmachari over allegations of sexual abuse of two persons, including a minor, over the past year.

According to the FIR, the complainants included Ashutosh Brahmachari Maharaj and two other persons, one of them a minor, who alleged sexual abuse by the accused at a gurukul and during religious congregations, including the recently concluded Magh Mela in Prayagraj.

The action on Saturday followed an order passed by the special judge (POCSO Act), Prayagraj, directing that a case be registered on the application moved by Ashutosh Brahmachari and others.
