dulkar was asked about his relationship with Bucknor, and in lighter vein, he had said, "When I am batting, give him boxing gloves to wear (so he can't raise his finger)". Bucknor, 79, officiated in 128 Test matches between 1989 and 2009 and also holds the record for standing in five consecutive World Cup finals from 1992 to 2007.

While batting has been led by Pathum Nissanka, left-arm spinner Dunieth Wellalage has been impressive with the ball. To be fair, even the pacers have delivered thus far in the competition. New Zealand, who had to share a point with Pakistan following the wash-out at Premadasa, too have good spinners in their ranks including captain Mitchell Santner. With rain unlikely, both teams would be pushing for their first win of the Super Eight stage. New Zealand's opening duo of Finn Allen and Tim Seifert showed ominous form during the league stage and would be looking to extend that run. More runs are expected from the bat of Rachin Ravindra who got a much-needed fifty in his previous innings against Canada.

As per tournament guidelines, if the Pakistan cricket team qualify for the semi-finals, they will play semi-final 1 in Colombo on March 4. If Pakistan fail to qualify but the Sri Lanka team reach the super 4 and are not drawn against India, then the match will be played in Colombo.

Buildings can tilt or sink, roads and railway tracks may crack, and underground utilities can rupture. Riverbank and low-lying areas are particularly vulnerable: Dr Nihar Ranjan Patra

A 17-year study by the Indian Institute of Technology-Kanpur (IIT-K) has warned that parts of Kanpur and Prayagraj could face severe damage if an earthquake of magnitude 6.5 or higher strikes the region. The research led by Dr Nihar Ranjan Patra, a

from Gujarat, Haryana, Uttar Pradesh and Bihar. Samples were taken from 43 locations, with boreholes drilled up to 30 to 40 metres and 80 metres deep at two locations in Kanpur and Prayagraj in select areas - far deeper than the usual 10-30 metres used elsewhere. In several parts of Kanpur and Prayagraj,

The findings are concerning as in some pockets, the effect could extend as deep as 30-40 metres. Liquefaction occurs when intense shaking causes waterlogged soil

Localities identified for detailed soil analysis include

Bithoor, Mandhana, Panki, Barra, Chakeri, Ratanlal Nagar, Naramao and areas around IIT-K, among others. Parts of Varanasi were also found to have similar soil behaviour. According to India's seismic zoning map, sections of Kanpur and Prayagraj fall under Zones III and IV - denoting moderate to high risk.

ing meat, fish and poultry in the vicinity of religious and educational institutions, claiming that these offended "purity of sentiments" and promoted "violent tendencies" among children. The senior BJP leader, who holds the urban development portfolio in the Nishith Kumar government, made a statement to this effect a couple of days ago when his views were sought on a recent circular issued by the department. "We are making a new Bihar and this is being reflected in all the steps we take. I issued directions to strictly implement the rules in a recent departmental meeting, which have been framed to ensure proper hygiene and social harmony," he said. "We are not against people's right to have food of their choice. But, selling such items in the open, especially in the vicinity of religious institutions, adversely affects the purity of our sentiments. Similarly, these need to be kept away from educational institutions to prevent violent tendencies among children," Sinha said.

Meanwhile, as per the Morcha's previously an-

nounced programme, employees closed education department offices across the state, except for the Uttarakhand Board of School Education in Ramnagar. "Like today, education department officials and employees will continue their work boycott on Tuesday, and if no solution is found to our demand by Tuesday, all offices across the state will be closed from Wednesday," said Sanjay Bhaskar, front's media in-charge. Bhaskar alleged that the MLA had brought a history-sheeter with him to the director's office.

According to the FIR, the complainants included Ashutosh Brahmachari Maharaj and two other persons, one of them a minor, who alleged sexual abuse by the accused at a gurukul and during religious congregations, including the recently concluded Magh Mela in Prayagraj.

The action on Saturday followed an order passed by the special judge (POCSO Act), Prayagraj, directing that a case be registered on the application moved by Ashutosh Brahmachari and others.
