

Konda Surekha warns party leaders against targeting her supporters

HANS NEWS SERVICE
HYDERABAD

FORMER Minister and Congress MLA Konda Surekha has warned party leaders against making irresponsible remarks or targeting her supporters, while making it clear that she would not tolerate any attempt to harm Congress activists and her followers.

She urged party leaders to exercise restraint in their public statements and warned that women party activists would respond strongly if provoca-

tive remarks continued.

Surekha said, "Certain leaders need to mind their language and that any further indiscretion would not be tolerated. Leaders who speak recklessly and without restraint would face a severe thrashing at the hands of female party activists. Fake leaders are talking too much, while genuine leaders are being overlooked for positions. Strict action would be taken against anyone whose behaviour harms the party or its leadership. Each woman is ca-

pable of taking on and thrashing four individuals. Dire consequences if the leaders did not mend their ways. Everyone to move forward strategically with the sole objective of winning". Surekha said, "I am not upset about losing the ministerial post. Whether I am there or here, I will continue to serve the State and my constituency. As a minister, I had to spend considerable time serving the State. Now, I will dedicate more time to Warangal and remain accessible to the people," she said.

CONGRESS IN A BIND OVER GRADUATE MLC CANDIDATES

Social representation versus winnability sparks debate within party

HYDERABAD

THE ruling Congress party finds itself on a tough wicket regarding candidate selection for the upcoming Graduate MLC elections in the Nalgonda-Khammam-Warangal and Hyderabad-Ranga Reddy-Mahabubnagar constituencies.

The party leadership is actively weighing social justice considerations against the winning ability of potential nominees. For the Nalgonda-Khammam-Warangal constituency, candidate in-charge and Deputy Chief Minister Mallu Bhatti Vikramarka has reportedly shortlisted Patel Ramesh Reddy, Dr Lokesh Yadav,

Gutta Amit Reddy, Ramreddy Sarvatham Reddy, Chanagani Dayakar, and Ponguleti Prasad Reddy for consideration by the high command. Similarly, Health Minister Damodara Rajanarsimha, overseeing candidate selection for the Hyderabad-Ranga Reddy-Mahabubnagar constituency, has shortlisted Manne Jeevan Reddy, Sama Rammohan Reddy, Gauri Satish, Harshavardhan Reddy, Shivase Reddy, and Bodanapalli Venugopal Reddy.

Although the All India Congress Committee will

finalize the selection, state leaders face a severe dilemma over whether to prioritize social representation or electoral prospects across these two critical seats.

Both constituencies span vast geographical expanses, with Nalgonda-Khammam-Warangal covering 34 Assembly segments and Hyderabad-Ranga Reddy-Mahabubnagar comprising 53 Assembly segments. Nominees must establish an extensive campaign network to connect with thousands of graduate voters across multiple districts. Internal party discussions are ex-

ploring various social combinations. Some leaders advocate allotting one seat to an open-category candidate and the other to a Backward Classes representative. Conversely, another section suggests fielding open-category candidates for both graduate seats while compensating Backward Classes later through upcoming Governor-quota MLC vacancies.

With three Governor-quota MLC seats expected to fall vacant soon, leaders believe those positions could accommodate broader social representation demands. However, another internal perspective argues that candidates with strong winning prospects can be identified from Backward Classes, Scheduled Castes,

Scheduled Tribes, and minority communities provided the party conducts a thorough exercise to back them with organizational resources. Recognizing the political significance of these Graduate MLC elections to consolidate its regional standing, the Congress leadership is handling the selection process with extreme care.

Party leaders are pushing for an early announcement to give candidates sufficient time to mobilize voters, establish campaign networks, and coordinate with local party machinery. A final decision from the Congress high command is expected shortly as deliberations continue on balancing social equity with electoral viability.

Army engineers to bolster SLBC, Kaleshwaram works

Telangana likely to take three Corps of Engineers officers on deputation

PATHAN AFZAL BABU
HYDERABAD

THE Telangana Government is set to strengthen the execution of the Srisailem Left Bank Canal tunnel and the rehabilitation of the Medigadda, Annaram and Sundilla barrages by engaging additional officers from the Indian Army's Corps of Engineers.

The Military Secretary's Branch of the Integrated Headquarters of the Ministry of Defence has offered three officers for selection by the Telangana Government: Lt Col Satyadev Singh, Lt Col Ranjit A Menon and Lt Col HV Bhalla. The State Government is likely to take all three officers on deputation and deploy them in its most technically challenging irrigation works.

plies Minister N Uttam Kumar Reddy recently met Chief of the Army Staff General Dhiraj Seth at his official residence in New Delhi and requested the deputation of experienced Army engineers to Telangana. He explained the technical complexity and strategic importance of the SLBC tunnel and the repair and rehabilitation of the three Kaleshwaram barrages.

Col Mehra has been closely associated with both the SLBC tunnel, the repair and rehabilitation planning for Medigadda, Annaram and Sundilla barrages. His technical knowledge, field-level involvement and ability to coordinate complex operations have been of immense value to the Irrigation Department.

"Our experience with Col Parikshit Mehra has been extraordinary. His

contribution has reinforced our belief that experienced military engineers can add tremendous value to technically complicated infrastructure projects. In light of that experience, we requested the Army Chief to depute more officers. I am grateful that General Dhiraj Seth and Army Headquarters responded so positively and promptly." Uttam Kumar Reddy said.

Under the deployment being considered, one of the three officers would supervise operations at the SLBC tunnel's two excavation fronts, including work inside the tunnel near the excavation faces. The remaining two officers would be assigned to the repair and rehabilitation works covering the Medigadda, Annaram and Sundilla barrages.

Tummala flags Telangana's farm needs at Rabi conference

HANS NEWS SERVICE
NEW DELHI

AGRICULTURE Minister Tummala Nageswara Rao highlighted Telangana's requirements in the agriculture sector at the National Rabi Conference-2026 on Tuesday and brought key issues concerning farmers to the notice of Union Agriculture and Farmers Welfare Minister Shivraj Singh Chouhan.

Tummala said Telangana was prioritising crop diversification in view of the El Niño effect, rainfall fluctuations and prolonged dry spells. As a result, pulse cultivation had increased significantly, with Telangana ranking second in the country and recording a 36% rise over the previous year.

He sought Central assistance to expand vegetable cultivation from the present 8,800 acres to one lakh acres. Citing rainfall shortages in several mandals due to El Niño, he requested special assistance for micro-irrigation, protective irrigation and water conservation structures.

Tummala also sought the inclusion of maize and sorghum (jowar) under the Price Support Scheme (PSS), describing them as drought-tolerant crops suitable for water-stressed areas. He urged the Centre to restore the import duty on crude palm oil to 44%, stressing the need to

Telangana BJP State president N Ramchander Rao speaking at the preparatory meeting on the Graduate MLC elections

BJP huddles to chalk out MLC poll strategy

HANS NEWS SERVICE
HYDERABAD

TELANGANA BJP State president N Ramchander Rao presided over a preparatory meeting on the Graduate MLC elections for the Mahabubnagar-Rangareddy-Hyderabad and Warangal-Khammam-Nalgonda constituencies following the commencement of Form-18 voter registration.

Rao said the two elections, covering 10 combined districts and around 76 Assembly constituencies, were matters of great prestige for the party. He directed cadres to ensure every eligible graduate registers as a voter and prepare a robust action plan from the booth level.

Rao called upon the educated community to raise its voice against what he described as the "anti-people policies" of the Congress and BRS. He said the MLC elections would be a crucial political test ahead of future electoral battles. The party has already constituted special committees

and initiated an action plan at all levels.

Claiming that the BJP had historically enjoyed strong support and a grassroots presence in the two Graduates' constituencies since the Jana Sangh days, Rao cited the party's performance in 2015 and subsequent elections.

He alleged that the BRS had failed to fulfil the aspirations of graduates, educated youth and the unemployed, particularly on job recruitment. He also claimed that public discontent was growing against the Congress government over pending DA, PRC matters and pensions, while graduates and unemployed youth were questioning unfulfilled election promises.

Rao said the BJP would approach the elections with unity and confidence, adding that the entire cadre would support whichever candidate the party announces.

He urged graduates, teachers, employees and intellectuals to participate in the elections and make their voices heard.
