Tech-savvy Transport department hints at AI-based driving tests to cut down mishaps

The department has taken up the initiative after a Committee on Automated Driving Test Tracks visited driving test facilities in Delhi, Uttar Pradesh and Odisha

MM Farooqui
Hyderabad

THE Telangana Transport Department is planning to upgrade driving test tracks with AI-based video analytics to make driving tests more transparent, stringent and technology-driven, said Joint Transport Commissioner M Chandra Shekhar Goud.

On Tuesday, JTC along with Deputy Transport Commissioner Ravindar Kumar, Regional Transport Officer Raghunandan and officials from the Hyderabad Metropolitan Development Authority (HMDA), inspected the driving test tracks at Kondapur and Nagole on Monday.

Transport Department and HMDA officials inspecting the driving test tracks at Kondapur and Nagole as part of the initiative to upgrade facilities with AI-based video analytics

Speaking during the inspection, Chandra Shekhar said strict and transparent driving tests were essential to improving road safety and reducing road accidents. He said the proposed technology would help minimise human intervention in the testing process.

The department has taken up the initiative after a Committee on Automated Driving Test Tracks visited driving test facilities in Delhi, Uttar Pradesh and Odisha to study the systems and practices followed there. The committee subsequently submitted its report to the Transport Department.

Based on the committee's recommendations and directions from Transport Minister Ponnam Prabhakar, Special Chief Secretary Vikas Raj, and Transport Commissioner K Ilambarithi, the department plans to implement the project in phases.

In the first phase, the department proposes to upgrade driving test tracks within the Core Urban Region (CURE) and the Karimnagar RTO Driving Test Track.

The upgraded facilities will use AI-based video analytics to assess driving tests, with the aim of reducing manual intervention.

The Transport Department and Maruti Suzuki India Ltd. are jointly planning the upgrade of the existing driving test tracks and implementation of the AI-enabled testing system.

As part of the preparations, officials conducted a field survey at the Kondapur and Nagole tracks along with HMDA officials Srinivas, Rajashekhar Reddy and Vikram, and committee members Amrita Varshini, Abhilash Naik and Neha, besides RTO official Kondayya.

NRR slams CM over remarks on Hindu gods

HYDERABAD: Slamming Telangana Chief Minister A Revanth Reddy over his remarks on Hindu gods, state BJP president N Ramchander Rao on Tuesday accused him of trying to divide the country along north-south lines and pursuing vote-bank politics.

He alleged that Reddy was "playing at the hands of Congress leaders Sonia Gandhi and Rahul Gandhi", whom he accused of not respecting Hinduism. Rao called for protests across Telangana against Reddy's remarks. Reddy on September 28 claimed that the Congress had succeeded only in the southern states but struggled in the north because the BJP had "stolen Lord Ram", who is revered there, while Lord Shiva is worshipped in the south. Speaking at an interactive session organised by a media organisation in Delhi, Reddy also claimed that Shiva was the God of the poor, Ram was the God of the rich, and the BJP was a party of the rich.

"Reddy's statement on Hindu gods is highly condemnable. It is objectionable. It is an absurd statement by a person holding a Constitutional post," Rao told PTI Videos. Recalling Reddy's past remarks that "Congress means Muslims, Muslims mean Congress", Rao alleged that the CM was seeking to unite Muslims while dividing Hindus.

He alleged that Reddy was trying to divide society by portraying Lord Ram as the God of the rich and Shiva as the God of the poor, and accused him of using religious and north-south divisions for vote-bank politics. Rao also alleged that Reddy had earlier mocked Hindu gods by referring to local deities associated with the consumption of toddy and non-vegetarian food. Reddy, who had become "anti-Hindu", had even described himself as "Revanth Uddin", Rao alleged. Rao asked BJP activists to burn effigies of Reddy at the mandal level across Telangana.

PCC chief endorses Revanth's 'rich God, poor God' remarks

Hans News Service
Hyderabad

AMID the political controversy over Chief Minister Revanth Reddy's remarks that "Shiva is the god of the poor, while Rama is the god of the rich," TPCC President B. Mahesh Kumar Goud has defended the Chief Minister and endorsed his comments.

Speaking to the national media in Hyderabad on Tuesday, Mahesh Kumar Goud questioned why Revanth Reddy should apologise for the remarks. He suggested that the Chief Minister was referring to the traditional visual representations of Lord Rama and Lord Shiva.

Goud said Lord Rama is traditionally depicted in royal attire and adorned with ornaments, while Lord Shiva is portrayed wearing tiger skin and without jewellery or material ostentation. He questioned whether highlighting the differences in their traditional depictions was inappropriate. Mahesh Kumar Goud further stated that Congress leaders have immense respect and devotion towards both Lord Rama and Lord Shiva. He said they pray to both deities and believe that the blessings of all gods are always with them.

Paddy procurement centres to be geo-tagged

Hans News Service
Nagarkurnool

DISTRICT Collector Hemanta Keshav Patil directed officials to arrange for Kharif paddy procurement and ensure that farmers face no inconvenience. He reviewed procurement arrangements with officials at the Collectorate on Tuesday and instructed them to prepare 183 procurement centres across 20 mandals. The Collector directed officials to geo-tag every procurement centre and register the details on the PCSAP portal. He also instructed them to ensure 16 basic facilities, including weighing machines, moisture meters, tarpaulins and drinking water, and upload photographs and details on the portal. Officials were directed to ensure payment of the government-announced MSP to farmers and make advance arrangements for paddy transportation and storage. The Collector also called for regular monitoring of vehicle movement, coordination among departments and timely resolution of field-level issues.

Singareni, TGGENCO draw up coal supply plan

75,500 tonnes to be supplied daily to thermal power plants amid rising electricity demand

Pathan Afzal Babu

HYDERABAD: Singareni and Telangana GENCO have prepared an action plan to ensure uninterrupted coal supply to TGGENCO's thermal power plants in line with the state's growing electricity needs amid El Niño conditions. A special coordination meeting held through video conference on Tuesday discussed a daily coal supply target of 75,500 tonnes.

Singareni CMD Dr Buddhaprakash Jyoti and Telangana GENCO CMD Dr Harish, along with Singareni Area General Managers, Chief Engineers of TGGENCO power plants and senior officials of both organisations, participated in the meeting.

They reviewed the coal requirements of each plant, current supplies, coal quality, availability of railway rakes, loading and unloading operations, and transportation difficulties.

The meeting discussed a plan to supply 56,000 tonnes a day through 14 railway rakes and 19,500 tonnes by road. Plant-wise requirements of 24,000 tonnes a day for Kothagudem, 4,500 tonnes for Kakatiya, 15,000 tonnes for Bhadradri and 34,000 tonnes for Yadadri were reviewed.

For Yadadri, an action plan was drawn up to transport 8,000 tonnes a day through two rakes from the Naini coal block in Odisha and 36,000 tonnes through six rakes from Singareni's local mines. Singareni officials said steps were being taken to increase supplies from Naini.

Singareni's Marketing Department officials said 15.02 lakh tonnes of coal had been supplied to TGGENCO power plants by road and rail up to September 28. During the corresponding period last September, supply stood at 11.44 lakh tonnes.

TGGENCO officials informed the meeting that electricity demand had risen due to dry conditions associated with El Niño and that additional coal was needed to support higher generation.

GOVERNMENT OF TELANGANA
REVENUE (LA) DEPARTMENT

FORM VII
(See Sub-rule (1) of rule-25 and Section -19 (1) of the Act -30/2013)
DECLARATION

COLLECTOR: JAGTIAL No.G1/787/2025 Dated : 26.09.2026
R.D.O. JAGTIAL No. E/ 320 /2026 Dated : 17.09.2026

Whereas it appears to the Government of Telangana / Collector, Jagtial that a total of Ac 18.20Gtsof land is required in the village of TIRUMALAPUR village of KODIMIAL Mandal Jagtial District for public purpose of excavation of Distributary of **[1] POTHARAM LMC MINOR 3 R KM FROM 0.000 TO 0.600[2] POTHARAM LMC MINOR 4 R KM FROM 0.000 TO 0.700 [3] POTHARAM LMC MINOR 5 R KM FROM 0.000 TO 0.250 [4] POTHARAM RMC FROM Km 1.100 to 2.800 [5] POTHARAM RMC MINOR 1 L 0.900 TO 1.800[6] POTHARAM RMC MINOR 3 TE 0.000 TO 1.050UNDER SYP CANAL NETWORKS PACKAGE-III.**

Therefore, declaration is made that a piece of land measuring, more or less Ac 18.20 Gts of standard measurement under acquisition for the above said project in TIRUMALAPOOR village of KODIMIAL Mandal, Jagtial District whose detailed description is as following.
