Lid off shady deals in GHMC Charminar transport section

Complaints filed seeking probe into tenders, fuel coupons and vehicle maintenance records

Hans News Service
Hyderabad

SERIOUS irregularities have allegedly come to light in the Transport Section of GHMC's Charminar Zone, with allegations of illegal tenders, fraudulent fuel coupon issuance, spare parts bills, and misuse of public funds.

Questions have also been raised over the continued posting of a computer operator in the same section for nearly two decades despite a recent large-scale transfer of the same post across GHMC.

Complaints regarding the alleged irregularities have reportedly been submitted to senior GHMC authorities, seeking a thorough investigation into the functioning of the department.

According to sources, irregularities were allegedly committed in awarding labour, security, festival and seasonal tenders. The sources further alleged that illegal bills were generated for spare parts, diesel consumption, and even scrap vehicle components.

The alleged financial discrepancies reportedly involve expenditures running into several lakhs of rupees, including around Rs 40 lakh related to Bakrid arrangements recently.

GHMC Employees Union has raised concerns over fuel consumption records of GHMC vehicles. According to the union, there are 29 vehicles and 25 IBT vehicles in the GHMC Charminar zone.

Citing the vehicle bearing registration number AP11X7241, the union alleged that in 2025 fuel coupons were issued for June, July, and August last year despite questions regarding the vehicle's operational status. The union also pointed to alleged discrepancies in diesel allocations, claiming that this vehicle was sanctioned fuel of 105 litres through multiple coupons.

GHMC Employees Union President U Gopal has alleged large-scale misconduct in the issuance of fuel coupons. In the recent illegal issuance of diesel coupons recorded in May for the same vehicle bearing registration number AP11X7241 on three occasions. He further claimed that the same vehicle had remained in police custody from May 7 to 11 following an accident, yet fuel coupons continued to be issued.

He said various such irregularities were witnessed in the transport section. Gopal said, "The Employees' Union has submitted a representation to the GHMC Commissioner, senior officials and vigilance department seeking a comprehensive inquiry into the alleged irregularities. We demanded a detailed audit of tendering processes, fuel consumption records, and vehicle maintenance bills."

Another allegation concerns the continued posting of a computer operator in the GHMC's Charminar Transport Department for nearly two decades despite recent transfers of around 400 operators across GHMC. The union questioned why the official reportedly remains in the same section.

TG secures 90 lakh urea bags to ensure transparent distribution

Hans News Service
Hyderabad

AGRICULTURE and Cooperation Minister Tummala Nageswara Rao on Tuesday reaffirmed the government's commitment to ensuring transparent, timely, and farmer-friendly urea distribution, while also assuring full support to farmers facing adverse weather conditions. Speaking at the RythuNestham-programme, the Minister said the government's priority is to prevent any hardship and ensure all fertilisers reach them without delays. He highlighted that the Fertiliser App, introduced to eliminate long queues and intermediaries, has significantly improved efficiency. Farmers can now book urea from home without standing in lines.

So far, 4.06 lakh farmers have booked 13.22 lakh urea bags through the app, of which 11.18 lakh bags have already been delivered. To support farmers without smartphones, the government has launched a toll-free booking service, operational from 10 AM to 5 PM daily. Staff will complete the booking on behalf of farmers who call the helpline. Telangana currently holds 90.22 lakh urea bags across retail shops, cooperative societies, Markfed, and warehouses. Nizamabad district is leading in urea purchases with 1.39 lakh bags, followed by Kamareddy, Kumuram Bheem Asifabad, Sangareddy, and Adilabad.

Tummala stressed that the digital system helps curb illegal transport, black-marketing, and industrial diversion. He added that despite global supply disruptions caused by international conflicts, the state is coordinating with the Centre to secure adequate quotas. On weather concerns, the Minister cautioned that El Niño may reduce rainfall this year, advising farmers to consult scientists, reduce water-intensive paddy cultivation, and shift towards oil palm alternatives. The event was attended by Seed Development Corporation Chairman Anvesh Reddy, Agriculture Secretary Surendra Mohan, Director Gopi, and other senior department officials.
