FORMER IIT Bombay professor and renowned "Solar Man of India" Dr Chetan Singh Solanki has called upon citizens to move beyond being mere consumers of energy and become

energy producers to address the growing challenges of climate change.

Dr Solanki visited Godavari Global University (GGU) on Tuesday as part of his nationwide "Energy

Swaraj Yatra." He addressed students at an awareness seminar on "Climate Change - Challenges and Solutions," organised by the Department of Mechanical Engineering.

Speaking on the occasion, Dr Solanki said that every activity undertaken by human beings contributes to carbon emissions and that the unlimited consumption

of limited natural resources poses a serious threat to the future of humanity.

He urged people to adopt energy conservation practices and use electricity, water and other natural resources judiciously. A major attraction at the event was the "Climate Clock," which displayed the remaining time before global temperatures

exceed the critical 1.5-degree Celsius threshold. The clock showed the countdown in years, days, hours, minutes and seconds, drawing considerable attention from participants.

Announcing the arrangements on Tuesday, APSRTC executive director (operations) Gadde Nageswara Rao said the corporation, in accordance with the directions of the state government, would provide free bus travel to all students appearing for the examination.

Special help desks will be set up at major bus stations to guide students, while supervisory staff will monitor operations and arrange additional services wherever required. ## Transport dept seizes interstate buses and slaps ₹5.20 lakh fine for tax evasion

HANS NEWS SERVICE  
TIRUPATI

CLAMPING down heavily on tax evasion and passenger safety violations, the District Transport Department has seized two luxury tourist buses and booked cases against 30 other vehicles during a series of intensive surprise inspections conducted over the last 48 hours.

Fines and tax penalties totalling around ₹10.20 lakh were levied during the drive. Executing orders from District Transport Officer (DTO) Korrapati Murali Mohan, an enforcement squad led by Motor Vehicle Inspector (MVI) Mohan Kumar intercepted a contract carriage operating from Kolkata to Bengaluru.

RTO officials along with police inspecting the documents of private buses in Tirupati on Tuesday

found plying through the district without paying the statutory All India Permit tax.

The RTO took the bus into custody and slapped the operator with a hefty ₹5,20,000 demand notice covering

pending taxes and compound penalties.

Simultaneously, the State Transport Control Room's high-tech speed-monitoring grid detected an All India Tourist Permit sleeper bus speeding excessively on the

Hyderabad-Tirupati route.

Field inspectors tracked down and seized the vehicle immediately. DTO Murali Mohan confirmed that 10 over-speeding cases have been systematically filed under this digital tracking matrix so far. Alarmingly, during physical checks, officials discovered that several interstate operators had deliberately disconnected or tampered with their mandatory GPS tracking systems—a major statutory offence under the Central Motor Vehicle Rules. MVIs Subramanyam, Srinivas Rao, Aatika Naz, Ramana Naik, and Prasad Varma participated in the operations.

The DTO warned that special night-patrolling squads will continue to step up checks against errant private travel agencies.
