DRIVEN BY VISION OF 'GROW MORE, ACHIEVE MORE' ...

India working to become a developed nation: PM

MELBOURNE
 INDIA, driven by the vision of "Grow More, Achieve More", is working towards the goal of becoming a developed nation, Prime Minister Narendra Modi said on Thursday, underscoring that the foundation of the country's big dreams and great aspirations is its people.

Speaking at an Indian diaspora event, 'Melbourne meets Modi', also attended by Australian Prime Minister Anthony Albanese, PM Modi said he was delighted that the partnership between the two countries in the areas of education, skills and innovation is deepening and strengthening.

"India of the 21st century is working towards the goal of becoming a developed nation. When one dream is realised, a new one is born. This is an India that believes in 'Grow More, Achieve More'," Modi said, amid cheers from the audience.

More investments must to spur growth: Revanth

- ▶ CM firm on realising \$3T GDP by 2047
- ▶ Opens 5.6 GW solar facility
- ▶ Breaks ground for 12 GWh battery system plant

HANS NEWS SERVICE HYDERABAD
 REAFFIRMING the state government's resolve to transform Telangana into a \$3-trillion economy by 2047, Chief Minister A Revanth Reddy has emphasised that infrastructure should be strengthened to attract additional investments for ensuring a robust economic growth of the state. "We are striving to transform Telangana into the num-

ber one state in the country", the Chief Minister said, while acknowledging that the present flow of investments is insufficient to help the state compete globally. The Chief Minister inaugurated India's state-of-the-art 5.6 GW solar module manufacturing facility of Premier Energies Limited and attended the ground-breaking ceremony for the proposed 12 GWh battery energy storage system manufacturing facility as well as the 36,000 MT per annum aluminium extrusion & anodization plant at Seetarapur, Shahabad on Thursday. **Continued on Page 5**
