Gold rebounds ₹400, silver soars ₹5,000

As a weak US dollar and bargain buying supported sentiment after bullion fell to a one-week low earlier this week

NEW DELHI

GOLD prices edged up by Rs 400 to Rs 1,48,500 per 10 grams in the national capital, while silver jumped Rs 5,000, as value buying by traders and a weak US dollar revived demand for precious metals.

The yellow metal of 99.9 per cent purity closed at Rs 1,48,100 per 10 grams in the preceding session. Silver also snapped its three-session losing streak, surging Rs 5,000 to Rs 2,37,000 per kilogram from Thursday's closing level of Rs 2,32,000 per kg.

Traders said the recovery came as the dollar index weakened for the third straight session, boosting the appeal of precious metals, while investors also took advantage of lower prices after gold touched a one-week low earlier this week.

"Gold prices traded modestly higher on Friday as a weak US dollar and bargain buying supported sentiment after

bullion fell to a one-week low earlier this week," said Saumil Gandhi, Senior Analyst - Commodities at HDFC Securities.

In the international markets, spot gold slipped by \$17.57, or 0.43 per cent, to \$4,106.25 per ounce and silver fell nearly 1 per cent to \$59.54 per ounce. "Spot gold is trading firm as diplomatic efforts between the US and Iran appear to be back on track to strike a deal," Praveen Singh, Head of Commodities at Mirae Asset ShareKhan, said.

Market participants are awaiting next week's US Consumer Price Index (CPI) data, which is expected to provide fresh guidance on the Federal Reserve's interest-rate trajectory. "The data release will be a key trigger for the Federal Reserve's interest rate outlook and the direction of bullion prices," Jateen Trivedi, VP Research Analyst - Commodity and Currency, LKP Securities, said.

PFC raises \$300 mn via bonds

NEW DELHI

STATE-OWNED Power Finance Corporation (PFC) on Friday said it has raised \$300 million through bonds carrying floating interest rates. The net proceeds from the issuance of these Notes will be used in accordance with the external commercial borrowing guidelines of the Reserve Bank of India, an exchange filing said.

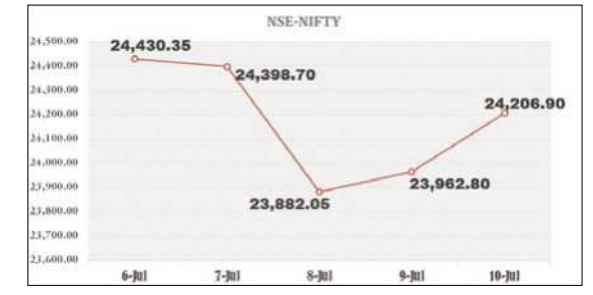

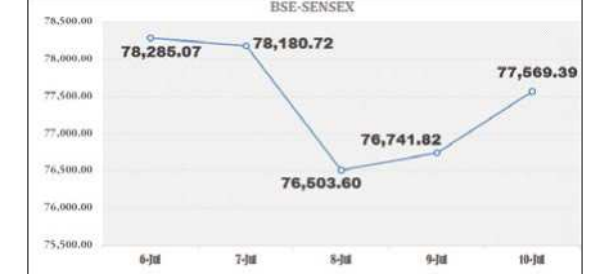

According to the filing, the PFC has priced a transaction of \$300,000,000 Floating Rate Notes due 2029 under its \$8,000,000,000 Global Medium Term Note Programme having a maturity of 3 years and coupon of 0/N SOFR + 110 bps per annum payable quarterly

in arrears on each Interest Payment Date i.e. 16th October, 16th January, 16th April and 16th July.

The settlement date for the Notes is expected to be 16th July 2026. Unless previously redeemed pursuant to the terms and conditions of the Notes, the Notes will mature on 16th July, 2029 and principal and interest payments will be made in US Dollars.

The Notes represent direct, unconditional and unsecured obligations of the PFC and will rank pari passu among themselves and all other unsecured obligations of the Issuer. The Notes will be listed on NSE IFSC and India INX, it stated.

MARKET MATTERS

COMMODITY WATCH  
Zinc futures ease on muted turnover

NEW DELHI: Zinc prices fell 40 paise to Rs 375.50 per kg in futures trade as speculators reduced their exposure, tracking negative cues in the spot market. Zinc contracts for July delivery slipped 0.40 per cent in 895 lots. Analysts said the trimming of positions by participants, due to slackened demand from consuming industries in the physical market, mainly weighed on zinc prices.

Aluminium futures rise on fresh bets

Aluminium prices rose 5 paise to Rs 344 per kilogram in futures trade as speculators built up fresh positions amid a positive trend in the spot market. The price of aluminium for delivery in July delivery edged up marginally by 0.01 per cent in 739 lots.

Copper futures climb on firm demand

Copper futures rose Rs 3.05 to Rs 1,295.85 per kg on Friday due to higher spot demand. Copper contracts for July delivery grew 0.24 per cent in 3,598 lots. Analysts attributed the rise in copper prices to higher bets by participants.
