PM pitches for India as global space hub

NEW DELHI

PRIME Minister Narendra Modi on Friday called for wider use of space technologies to address everyday challenges and urged India's burgeoning private space industry to forge stronger partnerships with other sectors to create new opportunities.

Modi made the remarks during an interaction with the CEOs and founders of 20 space startups at Seva Teerth, where he reviewed the growth and emerging potential of India's private space ecosystem. According to a PMO release, the startups represented diverse areas of the space economy, including rocket and reusable semi-cryogenic launch vehicle development, avionics, satel-
