Indian women demolish Pak 19-0, storm into semis

MOQI (CHINA): India produced one of the most emphatic victories of the 2026 Women's Junior Asia Cup, dismantling Pakistan 19-0 in their quarterfinal on Thursday to move within two wins of a third successive continental title.

The defending champions needed only seven minutes to break the deadlock, with Puja Sahoo finding the net. Roshni Aind doubled the advantage two minutes later, and what followed was a relentless Indian assault that left Pakistan struggling to contain the pace and frequency of attacks.

India added four more goals in the next five minutes. Tanushree Dinesh Kadu and Sukhveer Kaur struck in the 11th and 13th minutes respectively, with Sanika Chandrakant Mane also scoring in the 13th minute. Madhu Sidar and Geeta Yadav then extended the advantage before Mane returned to score her second in the 23rd minute. Tanuja Toppo and Pooja Malik completed India's first-half scoring, while Purnima Yadav's 33rd-minute goal ensured the team went into the interval with a staggering

10-0 lead. There was no let-up after the restart. Madhu Sidar scored again in the 39th minute before Supriya opened her account a minute later. Malik then took centre stage, scoring in the 49th and 51st minutes to complete her hat-trick. Krishna Sharma and Binima Dhan added further goals as India continued to pile on the pressure. Supriya struck again in the 54th minute, while Roshni capped the extraordinary performance with her second goal in the final minute of the match.

The 19-goal haul came after India had already demonstrated their strength during the group stage, finishing top after victories over Japan, Malaysia and South Korea.

India will now await the winner of the South Korea-Malay-

sia quarterfinal for their semi-final clash. The result leaves the reigning champions just two victories away from a hat-trick of Junior Women's Asia Cup crowns, having lifted the trophy in 2023 and 2024.

For Pakistan, meanwhile, the quarterfinal turned into a one-sided contest almost from the outset, with India's sustained attacking pressure producing goals across all four quarters.

India's goals: Puja Sahoo (7'), Roshni Aind (9', 60+), Tanushree Dinesh Kadu (11'), Sukhveer Kaur (13'), Sanika Chandrakant Mane (13', 23'), Madhu Sidar (16', 39'), Geeta Yadav (18'), Tanuja Toppo (25'), Pooja Malik (27', 49', 51'), Purnima Yadav (33'), Supriya (40', 54'), Krishna Sharma (48'), Binima Dhan (55').

East Zone clinch Duleep Trophy after 13 years

Kishan, Quraishi shine; East Zone win on first innings as match drawn

CHENNAI: East Zone clinched the Duleep Trophy for the third time on Thursday after overcoming South Zone via first innings at the M.A. Chidambaram Stadium. The triumph ended East Zone's 13-year drought, with its previous title coming in the 2012-13 season.

Resuming their second innings, East Zone rode on a maiden first-class century from Md Kounain Quraishi (116 not out off 190 balls) and Anukul Roy's 64 before declaring at 388/7 in 99.2 overs.

Quraishi reached his century in the 96th over, while his seventh-wicket partnership with Roy extended to 150\.

South Zone were also penalised five runs for slow over-rate. East Zone's title was built on a mammoth first-innings 708, featuring captain Ishan Kishan's 270 and Kumar

Kushagra's 101. Kishan added 80 in the second innings to finish with 350 runs in the match. Jharkhand talents Kushagra and Shikhar Mohan, who scored 85 on debut, also played key roles.

South Zone pacer Mohammed Siraj bowled nine consecutive overs despite the result being virtually decided. After Kishan declared, celebrations erupted, with players dancing on the turf. Kishan and Vaibhav Sooryavanshi waved to spectators, with Sooryavanshi also joining the celebrations with a stump in hand.

BRIEF SCORES:
East Zone 708 and 388/7 in 99.2 overs (Md Kounain Quraishi 116, Ishan Kishan 80; MD Nidheesh 2-28, CV Milind 1-27) draw with South Zone 336 (Tilak Varma 99; Mukesh Kumar 3-62).

Shafali steers India to Women's Asia Cup final

DUBAI: Shafali Verma lived a charmed life for her stroke filled 64 off 40 balls as India marched into yet another Women's Asia Cup final with a comfortable 40-run win over Bangladesh here on Thursday.

On a slow surface where batting was a struggle for majority of the batters, Shafali stood out with her fluent effort to take India to 149 for five. The Indian opener was dropped as many as three times and she duly made Bangladesh pay for those mistakes.

Considering the conditions and India's bowling resources, the seven-time champions were expected to defend the target and they did rather comfortably, limiting Bangladesh to 109 for

7 in 20 overs. Bangladesh never threatened India despite the aggressive intent of opener Juairiya Ferdous (14 off 18). Eventually Ferdous and her opening partner Dilara Akter (21 off 26) fell while attempting to clear the mid-wicket boundary. Kranti Gaud's running catch to get ride of Akter was a brilliant effort on an otherwise ordinary day for the fielders.

Like the last game, Pratika Rawal dropped a couple of catches. The Indian spin trio of Deepti Sharma (3/26), Shree Charani (1/14) and Prema Rawat (1/21) too delivered in spin friendly conditions.

It has been a low scoring tournament mainly due to

the slow nature of the pitches here. Considering that and Bangaldesh's batting, India deep down and knew they had got enough on the board.

They play either Pakistan or Sri Lanka in the final scheduled for Sunday.

BRIEF SCORES:
India 149/6 in 20 overs (Shafali Verma 64, Harmanpreet Kaur 24 not out; Sultana Khatun 2/30) beat Bangladesh 109/7 in 20 overs (Dilara Akter 21, Shorna Akter 22 not out; Deepti Sharma 3/26, Nandani Sharma 2/10) by 40 runs.

17th South Zone Shooting C'ship

Future City Police Inspector James wins bronze medal

HYDERABAD

FUTURE City Police Commissionerate Inspector B James Babu won a bronze medal in the Standard Pistol event at the 17th South Zone Shooting Championship – Rifle & Pistol 2026, held in Thiruvananthapuram, Kerala.

His performance brought recognition to the Future City Police Commissionerate and the Police Department, high-

lighting his discipline, sustained practice and commitment to competitive shooting while continuing to discharge his professional responsibilities.

Inspector James Babu thanked Future City Police Commissioner Dr Tarun Joshi, IPS, for his continued encouragement, support and motivation towards sporting excellence among police personnel. He said the Commissioner's encouragement had inspired

him to pursue excellence both in policing and competitive shooting.

"I dedicate this achievement to the blessings of God and to the constant encouragement and support of my senior officers, colleagues, family and fellow shooters," James Babu said. He also expressed gratitude to Dr. Tarun Joshi for encouraging sporting talent and motivating police personnel to excel at national and international levels.

Commissioner of Police Dr. Tarun Joshi, IPS, felicitates Inspector B James Babu at the Future City Police Commissionerate office in Ranga Reddy district here on Thursday.

SC to hear plea against UP legislators' perks

NEW DELHI: The Supreme Court on Thursday sought responses from the Uttar Pradesh government and others on a plea challenging the validity of certain provisions of a 1980 Act which provide for pension and other facilities to sitting and former MLAs and MLCs of the state.

A bench of Justices Vikram Nath and Sandeep Mehta agreed to hear the plea which challenged a verdict of the Lucknow bench of the Allahabad High Court in May this year. The high court had dismissed the plea challenging the constitutional validity of certain provisions of the Uttar Pradesh State Legislature (Members' Emoluments and Pension) Act, 1980.

The high court had noted that apparently these provisions confer upon sitting and former MLAs and MLCs a range of salary, allowances and other facilities, and further extend pension, family pension, free travel, medical facilities and other amenities to their spouse, family members and companion.

The top court issued notice on the petition challenging the high court verdict and posted it for hearing after four weeks. The petitioner 'Lok Prahari' had moved the high court contending that the state legislature has, in effect, made itself the "judge in its own cause" and showered benefits upon itself and its former members in a manner that is "manifestly arbitrary" and contrary to the basic constitutional idea that a public office is meant for public service and not for personal gain. "The core grievance of the writ petitioner is that all these provisions travel far beyond the limited power conferred by Article 195 of the Constitution of India, which speaks only of 'salary and allowances' to 'members' and makes no mention of pension, post-retirement benefits, facilities to family/companion or 'other facilities,'" the high court had noted. Article 195 of the Constitution deals with salaries and allowances of members of the Legislative Assembly and Legislative Council of a state.

The high court had observed that the challenge mounted by the petitioner was essentially rooted in a policy disagreement rather than any demonstrable Constitutional infirmity.

Suicide of MPSC aspirant

It's a murder by system: Dipke

DHARASHIV: Cockroach Janata Party (CJP) founder Abhijeet Dipke on Thursday termed the suicide of MPSC aspirant Prathamesh Deshmukh as a "murder done by the system", and said the government should ensure that incidents like this do not happen again.

He also said that people were demanding reservation as the government has completely failed in providing quality education and jobs to the youth.

Deshmukh (28), who was preparing for the Maharashtra Public Service Commission (MPSC) examinations allegedly died by suicide in Pune with a note left behind by him mentioning that he had a debt of around Rs 2.5 lakh. He was a native of Paranda in Dhharashiv, and was staying in a rented accommodation in Navi Peth area while preparing for competitive exams.

Dipke on Thursday visited Khasapuri village in Dhharashiv and met Deshmukh's grieving family members.

Talking to reporters later, Dipke said Deshmukh went to Pune with a dream to get a job and take his family out

of poverty. "He borrowed money from friends to meet his expenses. But due to paper leaks and delayed results, pressure mounted on students. This (Deshmukh's suicide) is system's fault and it is a murder done by the system," he alleged.

Deshmukh took the extreme step as he was fed up with the system, unemployment and financial condition of youth in rural areas, the CJP convenor said.

"Prathamesh stayed in Pune and used to have a meal only once a day due to his financial condition. According to his mother, Prathamesh used to say that he would come home in a government car, but unfortunately he was brought here in an ambulance yesterday. His father has already passed away,"

Dipke said. The MPSC aspirants from the rural areas face a challenge of meeting their expenses in a city like Pune, he added.

"He (Deshmukh) had borrowed Rs 2 lakh to Rs 2.5 lakh from his friends...A youth had to end his life for this much amount. This is the condition of our youth in rural areas because there is no employment," he said.

"Prathamesh was preparing for MPSC exams and we all know what is happening in the MPSC. Exams are not conducted properly, the results are improper and paper leaks also take place. How will the youth from rural areas survive in a city like Pune? How will they pay the money required for library, food, rent and coaching? This

is a question that haunts the youth from rural areas," he said.

"Prathamesh left the village with a dream to become an officer, then how can he return without cracking the exams? For this, he did everything that he could. He stayed there (in Pune) for four years by curtailing his expenses. There are thousands of youths like him," he said.

Talking about the quota issue, Dipke claimed that since people have lost faith in the government they were asking for a constitutional remedy.

"The government cannot give good facilities. If they get good facilities, good schools and education and opportunities, why would anyone ask for reservation? People are asking for reservation because the government has completely failed in giving quality education and providing jobs. People have lost faith in the government so they are seeking constitutional remedies," he said.

Dipke also said the CJP earlier only supported the agitation by the MPSC aspirants, but now it will also get involved in the agitation.

Keralam minister calls for action to curb organ trade

'Practical decisions needed in transplant cases'

THIRUVANANTHAPURAM: Keralam Minister K Muraleedharan on Thursday said organ trading must be strictly prevented, but stressed that appeal committees should take practical decisions to protect patients' lives when transplantation applications are rejected.

In a Facebook post, the state Health minister said legal experts on the appeal committees should pay particular attention to the issue while examining applications for organ transplantation.

He was speaking after inaugurating 'Smriti Vandhanam 2026', organised by the Kerala State Organ and Tissue Transplant Organisation to remember deceased organ donors and honour their family members.

The minister honoured the families of 39 deceased donors who donated organs between August 2025 and August 2026.

"Organ trading must be strictly prevented. At the same time, when appeal committees reject applications, legal experts should ensure that the patient's life

is not put at risk and that practical decisions are taken to save the patient's life," he said.

Muraleedharan described the families of organ donors as an unparalleled example to society, saying they had come forward to help save other lives despite the immense grief caused by the loss of their loved ones.

"The pain of losing a loved one, especially a child, is unbearable. That families come forward to make such a sacrifice for another life even in such moments of intense grief is a noble act that must not go unrecognised by society," the minister added.

'Chhatron Ki Goonj' in Indore on Sept 19

NEW DELHI: Congress leader Rahul Gandhi on Thursday announced that his fifth edition of the Chhatron ki Goonj initiative will be held in Madhya Pradesh's Indore on September 19 and asserted that it is essential to hear the voice of every student in the country to change the system.

Gandhi has held four Chhatron ki Goonj events in Kota, Dehradun, Prayagraj and Pune. The last one in

Pune on August 22 was for girl students.

In a post in Hindi on X, Gandhi said, "My dear students, youth and India's Gen Z, the entire country is watching with you as today a broken education system has extinguished the flame of your hopes and pushed your future into darkness."

"Through Chhatron ki Goonj, I am meeting you in different cities to understand your challenges. As part of

this campaign, on September 19, I will once again be among you in Indore," the leader of opposition (LoP) in the Lok Sabha said.

But to change this system, it is essential to hear the voice of every student in the country, their pain and their opinion, he said.

"Go to the link below and tell us — what is stopping you from achieving your dreams? You can also reach us by making a video.

"Your problems. Your suggestions. Together, we will bring hope back," Gandhi said and shared the link for feedback of students.

In a video along with the post, Gandhi said the idea behind the Chhatron ki Goonj programme is to listen to what the students and the country feel and to allow students to express themselves.

"The objective of the Chhatron ki Goonj programme is to keep before

the country your thoughts, expression and fears. And also raise the issues that our students want raised," he said in the video.

He urged students to convey what needs to be done to restore hope among students in India's education system.

Jailed Hindu leader gets parole for mother's funeral

DHAKA: Bangladesh authorities on Thursday granted five-hour parole to jailed Hindu rights leader Chinmoy Krishna Das to attend his mother's funeral, local media reported.

The Hindu monk was arrested in November 2024 on sedition charges for allegedly disrespecting the national flag, which sparked protests and communal tensions.

Chattogram District Deputy Commissioner (DC) Mohammad Zahidul Islam Mia ordered the Hindu

leader's release on Thursday afternoon following an application from his family, The Daily Star newspaper reported.

Chinmoy's mother, Sandhya Rani Dhar, 70, was undergoing treatment at a hos-

pital in Hathazari and died early morning on Thursday.

"Following an application by his brother over the death of his mother, we have passed an order to release Chinmoy Krishna from jail on parole for five hours in accordance with the law," the newspaper quoted DC Zahidul Islam Mia as saying.

Swatantra Gauranga Das Brahmachari, vice-president of ISKCON's Prabartak Sri Krishna Temple, confirmed the decision, bdnews24.com news portal reported.
