ECI recognises Vijay-led TVK as state party

Reserves 'whistle' symbol

CHENNAI: The Election Commission of India (ECI) has recognised Tamilaga Vetti Kazhagam (TVK) as a state party in Tamil Nadu and reserved the 'whistle' as its election symbol. The recognition comes after the party's performance in the Assembly election, winning 108 of the 234 seats in the State. This marks a significant milestone for the actor-turned-politician Vijay-led TVK party. In a communication dated September 9, the ECI said it had reviewed TVK's performance in the 2026 Tamil Nadu and Puducherry Assembly elections and found that the party had fulfilled the conditions prescribed under Para 6A of the Election Symbols (Reservation and Allotment) Order, 1968. Accordingly, the Commission granted TVK recognition as a state party in Tamil Nadu as well as in the Union Territory of Puducherry.

Bank strike today

Services likely to be hit for 4 days

NEW DELHI

BANK unions will go ahead with their planned nationwide strike on Friday, after talks with the government over key demands, including service conditions, failed to break the deadlock.

The United Forum of Bank Unions (UFBU) has said it will not defer the strike unless there is a favourable decision or a definite timeline on its principal demand for a five-day banking week.

It may noted here that banks are closed on the second Saturday (September 12), followed by Sunday (September 13) and Monday (September 14: Ganesh Chaturthi) in some states.

The latest conciliation talks were held at the office of the chief labour commissioner (central), with representatives of the UFBU, Indian Banks' Association (IBA), Department of Financial Services (DFS) and labour authorities.

The DFS representa-

tive appealed to the bank unions to reconsider the strike call in view of the BRICS Leaders' Summit during 11-13 September in New Delhi. The unions, however, maintained that they could not defer the strike in the absence of a favourable decision or a definite timeline for implementation of the five-day work week.

"Two rounds of online meetings were held today. There has been no concrete outcome on the five-day work week. The strike stands," said Rupam Roy, general secretary, All India Bank Officers' Confederation (AIBOC).

The September 11 action is the first in a wider programme announced by the UFBU. The unions have also called a three-day nationwide strike during September 28-30 and have announced an indefinite strike from October 26 if their demands remain unresolved.

AFTER AIR INDIA'S ODISHA INCIDENT... DGCA ORDERS DRUG TEST FOR ALL PILOTS

DGCA ORDERS DRUG TEST FOR ALL PILOTS

NEW DELHI: After the captain of an Air India flight that was involved in a sudden altitude loss incident last month tested positive for drug use, aviation safety regulator Directorate General of Civil Aviation (DGCA) ordered all Indian airlines to conduct a one-time test for psychoactive substances on all their pilots by July next year, according to sources.

Indian airlines are estimated to have close to 14,000 pilots. Following the incident that involved a Phuket-Delhi flight, and before the DGCA ordered tests for all pilots across airlines, the Air India group had voluntarily initiated one-time random drug tests on the about 5,000 pilots employed by Air India and Air India Express. Moreover, the draft of the new and likely more stringent norms on testing aviation personnel for psychoactive substance use is likely to be related by the DGCA by month-end, according to Civil Aviation Minister K Ram Mohan Naidu. **Continued on Page 7**

International air connectivity from Tirupati gets big push

PRADEEP VENNELAKANTI
TIRUPATI

UNION Civil Aviation Minister Kinjarapu Rammohan Naidu has pitched for direct international air connectivity between Tirupati and destinations like Kuwait, a long-standing demand of people from the region and overseas devotees visiting the temple city.

Despite Tirupati airport being accorded international airport status in June 2017, the pilgrim city has so far remained without a direct

international flight connection. A direct service to Kuwait is expected to particularly benefit devotees and residents from the Rayalaseema region who have been seeking easier air access to the Gulf country. The minister made the remarks while virtually inaugurating the first flight of regional carrier FLY91 to Tirupati. With its entry into the city, FLY91 has added Tirupati as its 13th destination and its third station in the state. The airline has intro-
