IN a major boost to Telangana's power generation capacity, the fifth 800 MW unit of the Yadadri Thermal Power Station (YTPS) was synchronised with the power grid on Tuesday. The unit was subsequently taken off the grid to carry out further activities ahead of its commercial operation date (COD), Telangana Power Generation Corporation Limited (TGGENCO) said in a statement.

TGGENCO is developing the Yadadri Thermal Power Station at Veerlapalem village in Damaracherla mandal of Nalgonda district.

The project comprises five units of 800 MW each, with a total installed capacity of 4,000 MW. It is being developed in two stages. Stage I consists of two 800 MW units, while Stage II comprises the remaining three units. According to TGGENCO, the first four units have already been commissioned and are in commercial operation. The synchronisation of the fifth unit marks another important step towards completing the project.

TGGENCO Chairman and Managing Director Dr S Harish congratulated the teams of Bharat Heavy Electricals Limited (BHEL) and TGGENCO for their joint efforts in synchronising the fifth unit.

TGGENCO Director (Thermal and Projects) Y Rajashekara Reddy, Chief Engineer (TPC) P V Srinivas and Chief Engineer (Construction, YTPS Stage-II) J Surya Narayana were present during the synchronisation.

Stampede-like situation mars Warangal Dasara celebrations

WARANGAL

A stampede-like situation at the Donor Pass entry gate marred the UrsuDasara celebrations at RangaleelaMaidan in Warangal on Vijayadashami, leaving several women and children injured.

The celebrations, organised by the UrsuDasara Festival Committee, attracted a large crowd to witness the traditional RavanaDahanam, symbolising the victory of good over evil. Public representatives and senior officials set fire to the effigy of Ravana amid the gathering.

Chaos erupted at the entry gate as people rushed into the venue simultaneously. Visitors alleged that inadequate security arrangements, poor crowd management and the absence of organised queues contributed to the incident. Several women also alleged that some miscreants behaved indecently with them and threatened those who objected, invoking donor passes.

Locals criticised the organisers and police for failing to make adequate arrangements despite anticipating a heavy turnout. They called for improved security and special provisions for women, children and elderly visitors at future events.

Meanwhile, Warangal East MLA KondaSurekha, KUDA Chairperson GunduSudharani, Legislative Council Deputy Chairman Banda Prakash and Collector Dr SatyaSharada addressed the gathering, highlighting the festival's cultural significance and the triumph of good over evil.

Warangal Police Commissioner N Shwetha and other officials also attended the celebrations.
