A stampede-like situation at the Donor Pass entry gate marred the UrsuDasara celebrations at Rangaleela-Maidan in Warangal on Vijayadashami, leaving several women and children injured.

The celebrations, organised by the UrsuDasara Festival Committee, attracted a large crowd to witness the traditional RavanaDahanam, symbolising the victory of good over evil. Public representatives and senior officials set fire to the effigy of Ravana amid the gathering.

Chaos erupted at the entry gate as people rushed into the venue simultaneously. Visitors alleged that inadequate security arrangements, poor crowd

management and the absence of organised queues contributed to the incident. Several women also alleged that some miscreants behaved indecently with them and threatened those who objected, invoking donor passes. Locals criticised the organisers and police for failing to make adequate ar-

rangements despite anticipating a heavy turnout. They called for improved security and special provisions for women, children and elderly visitors at future events. Meanwhile, Warangal

East MLA KondaSurekha, KUDA Chairperson GunduSudharani, Legislative Council Deputy Chairman Banda Prakash and Collector Dr SatyaSharada addressed the gathering,

highlighting the festival's cultural significance and the triumph of good over evil. Warangal Police Commissioner N Shwetha and other officials also attended the celebrations.

FACTIONAL tensions within the Congress party in Mancherial district have intensified, with supporters of Minister Vivek and MLA KokkiralPremSagar Rao (PSR) reportedly involved in repeated clashes. The recent defection of Jagan, a former PSR associate, to the Minister's camp has further deepened the rift.

WARANGAL West MLA NainiRajender Reddy has urged people to conserve water and electricity amid concerns that El Niño and changing global weather patterns could lead to

shortages. In a statement issued on Wednesday, the MLA appealed to the public to use water and electricity judiciously and avoid unnecessary wastage. He stressed that climate change could have far-reaching consequences,

making responsible consumption essential for every household.

Although the state government is allocating the necessary funds to improve power supply, changing weather conditions across the world could affect electricity availability, he said. He called upon people to cooperate with the government and adopt simple measures to conserve resources.

Naini suggested switching off lights, fans and other electrical

appliances when they are not in use. He also advised people to use water only when required and avoid wastage in their daily activities.

Emphasising the need for public awareness, the MLA said collective efforts were essential to address the challenges posed by climate change and natural disasters. He urged citizens to recognise water and electricity conservation as a shared social responsibility and make resource-saving practices part of their everyday lives.
