RANGAREDDY district recorded the highest number of ineligible electors across Telangana, with 9,092 voters identified as ineligible for inclusion in the final electoral rolls as of Thursday during the ongoing Special Intensive Revision. Official data from the office of the Chief Electoral Officer disclosed that 7,778 electors from this district could neither map their names to the 2002 revision list in the enumeration form nor produce valid documents to support their inclusion in the final voter list during official hearings.

Rangareddy also recorded the state's highest number of unmapped voters marked for deletion from the electoral rolls. Another 1,314 electors in this district had logical discrepancies in their enumeration forms submitted as part of the revision. They failed to rectify these discrepancies during ongoing hearings and were consequently marked for deletion from the final electoral rolls.

Rangareddy is followed by Peddapalli district, where 4,447 electors were found ineligible for inclusion in the final voter list. Of these, 3,140 had logical discrepancies in their enumeration forms, giving Peddapalli the highest number of electors with logical discrepancies in the state. Warangal district recorded 1,629 electors who were found ineligible.

Similarly, Hyderabad, which has the state's largest electorate, recorded 1,067 ineligible voters. Across Telangana, 32,214 electors in 119 Assembly constituencies are set to be removed from the final electoral rolls, a figure expected to rise as the hearing phase concludes in just over a fortnight. Before the Special Intensive Revision exercise began, Telangana had 3,38,26,448 voters, of whom 2,64,87,213 submitted enumeration forms, while the remaining 73,39,235 electors were categorised under Absent, Shifted, Death, and Duplicate entries.

So far, the Election Commission of India generated notices for 92,88,188 electors over logical discrepancies and the absence of 2002 revision mapping in their enumeration forms. Notices have been served to 92,68,311 electors, while delivery to 19,877 remains pending. Hearings for 90,22,264 notices had been completed by Thursday. Meanwhile, the hearing dates for 2,58,444 electors have lapsed. Another 7,478 voters who missed their initial hearing dates also failed to attend on the rescheduled dates. So far, the names of 2,52,03,235 electors, including 84,72,742 who cleared hearings, have been marked for inclusion in the final electoral list. The process of issuing notices and disposing of claims and objections will conclude on November 5. The final electoral rolls will be published on November 9, officials confirmed Thursday.

A passenger shares suggestions with South Central Railway officials during the Rail Jan Samvaad programme organised at Charlapalli Railway Station as part of Special Campaign 6.0

SOUTH Central Railway organised extensive Rail Jan Samvaad and Rail Yuva Samvaad programmes across its network on Thursday to strengthen passenger engagement and gather direct public feedback. The public outreach initiative forms part of Special Campaign 6.0, a nationwide drive focused on cleanliness, safety, and service improvement across Indian Railways. General Manager Sanjay Kumar Srivastava led the main event at Charlapalli Railway Station, interacting directly with passengers and young commuters alongside Secunderabad Divisional Railway Manager R Gopalakrishnan and senior railway officials.

During the interactive session, passengers shared key recommendations regarding hygiene, station amenities, train services, and coach watering facilities. Addressing commuter queries, Sanjay Kumar Srivastava assured passengers that their input would be implemented to elevate the overall travel experience across the zonal network.

Following the interaction, the General Manager inspected Charlapalli station to assess passenger amenities, circulating areas, approach road progress, and crowd-management safety measures. Highlighting recent operational achievements, Sanjay Kumar Srivastava noted that South Central Railway successfully operated nearly 120 special trains over the peak festival week, transporting around four lakh additional passengers. He confirmed that extra train services will continue throughout the ongoing festive period to accommodate passenger rush. Similar outreach programmes took place simultaneously across South Central Railway's Hyderabad, Secunderabad, and Nanded divisions. Divisional Railway Managers and senior officers spearheaded events at major stations, while station managers gathered feedback at smaller locations. Sanjay Kumar Srivastava emphasized that South Central Railway remains fully committed to modernising station infrastructure under the Amrit Station Scheme, adding extra train coaches, and maintaining elevated cleanliness standards across all rail services.

Farmers face heavy losses due to government negligence: BJP

Ritesh Rathod inspects drought-hit crops, demands immediate survey and compensation

Hans News Service
Khanapur

NIRMAL District BJP President RiteshRathod accused the Congress government of negligence in addressing drought conditions, alleging that its failure to act on advance weather warnings had resulted in severe crop losses.

Rathod visited drought-affected Chityal, Bellal, Maddipadaga and Vakil Nagar Thanda villages in Kademmandal and inspected withered crops. He interacted with farmers and enquired about their losses and difficulties. He said the drought had left farmers distressed, with little hope of recovering their cultivation investments, potentially pushing many into debt. Despite warnings about possible drought conditions linked to El Niño, the government had failed to take preventive measures, he alleged.

Rathod demanded an immediate crop loss survey by agricultural officials and fair compensation for all affected farmers.

He urged the government to respond promptly to farmers' hardships, warning that the BJP would intensify protests if adequate support was not provided.

Several BJP leaders, local representatives and affected farmers participated in the visit.
