Speaking after laying the foundation stone for a Telangana Public School (TPS) at Kazipet, Hanumakonda district, on Wednesday, Bhatti said the school would be constructed at a cost of Rs. 10 crore on the premises of the BC Welfare Boys' Hostel. He said education was the key to comprehensive social development and stressed the need to ensure equal opportunities for children from all communities.

He said the government was introducing major reforms to provide quality education to SC, ST, BC, Minority and OC students on a common platform. The government has also planned to establish a Telangana Public School in every Assembly constituency, offering education from pre-primary to Class XII.

Bhatti said 105 Young India Integrated Residential Schools had been sanctioned across the state, each being developed with an investment of around Rs. 200 crore and international-standard facilities.

He added that the government was implementing a breakfast scheme for approximately 27 lakh students in government schools, alongside nutritious mid-day meals.

ALLEGATIONS of child labour in a bamboo plantation near the Bhupalpally–Kaleshwaram main road have raised concerns over official supervision and children's rights. Minors were reportedly found working alongside adults in bamboo line-widening operations under the Forest Development Corporation (FDC).

A migrant couple from Madhya Pradesh, identified as Tekam Laxman and Duravati, were working at the site with their three children, two of whom allegedly participated in the work. Labourers told a news correspondent that each adult received Rs 500 daily, while the two children jointly earned Rs 500.

The incident has prompted questions over monitoring by FDC officials. Local residents have urged the authorities to investigate, stop the alleged employment of minors, ensure their education and protect migrant workers' rights.

FORMER BRS MLA and government chief whip Dasyam Vinay Bhaskar was placed under house arrest on Wednesday ahead of Telangana Deputy Chief Minister Mallu Bhatti Vikramarka's visit to Kazipet. Several BRS leaders, activists and Kakatiya University student leaders were also detained by police from midnight.

The preventive action came ahead of the Deputy CM's foundation stone-laying ceremony for a Telangana Public School building, estimated to cost Rs 10 crore, at the BC Welfare Boys' Hostel premises.

Bhaskar had warned that he would obstruct the visit unless house pattas were granted to residents of YSR Nagar. Questioning the arrests, he said demanding housing rights for poor families who had lived in the locality for decades was not a crime. He also condemned the detention of women and alleged that the Congress government had failed to honour its election promises.

Bhaskar urged the government to issue house pattas, take action against those who attacked residents and withdraw cases against BRS leaders. He demanded the unconditional release of all detainees.

Several former corporators and BRS leaders were among those detained and later shifted to Hasanparthi police station. Bhaskar vowed to continue the agitation until justice was delivered to YSR Nagar residents.
